**City of Portland Measure**

Referred to the People by the City Council

**26-197 Renew Portland Children's Levy for five years.**

**Question:** Shall Portland continue early childhood, child abuse programs; five-year levy \$0.4026 per \$1,000 assessed value beginning 2019?

This measure renews current local option taxes.

**Summary:** Renews the Portland Children's Levy at current rate; supports proven programs preventing childhood hunger, preventing child abuse and neglect, helping children arrive at school ready to learn, providing safe constructive after-school alternatives for kids, and helping foster children succeed.

Funds can only be used for:

**Preventing childhood hunger:** giving hungry children healthy, nutritious meals and food.

**Child abuse prevention and intervention:** addressing juvenile crime, school failure, drug and alcohol abuse, homeless youth.

**Early childhood programs:** making childcare more affordable and preparing children for success in school.

**After school, summer and mentoring programs:** promoting academic achievement, reducing the number of juveniles victimized by crime, increasing graduation rates.

**Children in foster care programs:** helping foster children who have been abused and neglected succeed.

Accountability measures include:

- Investments subject to annual audits.
- Programs funded must be cost effective and have a proven record of success.
- Investments subject to oversight by a citizen committee.
- Administrative costs cannot exceed 5%.

It is estimated the levy will raise an average of \$23.68 million per year for five years.
