Explanation of Revenues

This program is supported by General Fund revenues.

Rebates are the only Central Accounts Payable revenue. Rebates, received from U.S. Bank and Bank of America, are based on the level of annual spending in each of the bank's credit card programs. The majority is from Bank of America's purchasing card program; rebates from BOA are generally 1.4% of total value of transactions processed annually. Where practical, Multnomah County maximizes the use of electronic card payments to leverage rebates back to the County.
