Program Description

The Chief Financial Officer (CFO) develops and presents financial guidelines to executive level staff, the County Chair's Office, and the Board of County Commissioners. The CFO presents recommendations related to public financial policy to these groups as well as other jurisdictions. The CFO interacts with the Oregon Legislature, the general public, and the business community in assessing the potential impact of changes in financial policy. The CFO also develops and/or suggests financing alternatives to executive level staff and jurisdiction partners.

The CFO monitors the Public Employees Retirement System (PERS) and works with partner jurisdictions to develop and present legislative policy. This involves communication with the Board, the Oregon Legislature and/or PERS Board and labor groups. The CFO works with the Budget Office, the Chair's Office, the Board and County departments to establish priorities and guidelines, and ensures that policies are aligned with these priorities. The CFO works with departmental finance sections, DCM divisions, and all County department stakeholders on all administrative policies and procedures.

The CFO manages the County's risk fund, this includes but is not limited to managing risk fund budget, setting collection rates, managing/setting reserve requirements (e.g. workers compensation and health self insured programs), managing other post retirement employment benefits (OPEB) program, and managing the usage of the fund.
