Executive Summary

Purchasing oversees the County's goods and services procurement activities and provides leadership, expertise, and training to employees who perform purchasing functions. Purchasing supports departments to procure products and services in construction, materials, and both non-professional and professional services. Purchasing ensures appropriate and cost-efficient public procurement and contracting practices, including evaluating the economic, social and environmental impacts of purchases.

Program Summary

Purchasing provides leadership, policy oversight and monitoring, contract procurement, compliance, staff training, support services and overall accountability for several thousand contracts and hundreds of millions of dollars awarded each year.

Key efforts include the following: (1) safeguard the County from potential contractual risk and liability exposure; (2) ensure products and services are purchased in accordance with federal and state laws, procedures and regulations including County Administrative Procedures and rules established by Multnomah County's Public Contract Review Board (PCRB); (3) review and approve contract documents, review and approve contract changes and/or amendments and maintain official contract records; (4) research, analyze, recommend, and implement best business practices; (5) provide on-going guidance, support, training, and consultation to departments and employees; (6) track, monitor, analyze and annually report on contract data and performance measures; (7) maximize efforts to include and ensure participation of Minority, Women and Emerging Small Businesses (MWESB) and Qualified Rehabilitation Facilities (QRF); (8) participate in community events, meetings and conduct outreach to the MWESB vendor community; (9) oversee the County's surplus program; and (10) develop and implement sustainable purchasing policies, procedures and training.

Purchasing contributes to the Climate Action Plan, Local Government Operations section 18-9, by ensuring sustainable practices of prospective vendors, contractors and service providers are included as evaluation criteria in all contract awards over \$10,000. All Purchasing staff share in the education, training, and support of County staff to promote and support sustainable purchasing practices.

Performance Measures

Measure Type	Primary Measure	FY14 Actual	FY15 Purchased	FY15 Estimate	FY16 Offer
Output	Percent of contracts awarded to MWESB and QRF businesses	25%	35%	30%	30%
Outcome	Number of sustained protests on formal procurements	0	0	1	0
Output	Number of formal RFP and Bid solicitations issued	85	70	70	70
Output	Number of contracts processed	888	700	700	700

Performance Measures Descriptions

Purchasing manages formal Request For Proposal (RFP) and bid solicitations (>\$150,000) for the County because they represent the greatest risk in the County's purchasing activity. Minimizing the number of sustained protests is an indicator of how well Purchasing is managing the risks associated with formal procurement processes. The output measures listed are good indicators of the volume of formal procurements we conduct and the contract processing activity across all County departments.

Legal / Contractual Obligation

Oregon Revised Statutes (ORS) 279A, 279B, and 279C establish requirements affecting the County's procurement and contracting practices. The County establishes and implements Public Contract Review Board (PCRB) Rules and Administrative Procedures CON-1 and PUR-1 to define its procurement and contracting processes within the constraints of ORS requirements.
