**Program Characteristics:**

**Executive Summary**

The Treasury tax administration unit is responsible for managing all tax administrative activities for the new Preschool For All Program tax. This includes but is not limited to tax accounting, tax reporting, tax code development and oversight, tax procedures, tax forms, tax handbook, tax communication/education, general tax support, and management of intergovernmental agreement with the City of Portland.

**Program Summary**

On November 3, 2020 the voters of Multnomah County approved Preschool For All Program Ballot Measure 26-214 which authorized the County to impose a personal income tax to fund universal, tuition free, voluntary, and high quality preschool education for every three and four year residing within Multnomah County. The tax is effective tax years beginning January 1, 2021 and applies to resident and non-residents: 1.5% tax on Oregon taxable income over \$125,000 and 3.00% tax on Oregon taxable income over \$250,000 for single filers. 1.5% tax on Oregon taxable income over \$200,000 and 3.00% for Oregon taxable income over \$400,000 for joint filers.

The City of Portland through an intergovernmental agreement will be administering and collecting the tax on behalf of Multnomah County. The City of Portland has administered the County's Business Income Tax for over 25 years and administered the County's ITAX (temporary personal income tax) from 2003-2005. The City of Portland will also be administering the Metro District Supportive Housing Services personal income tax for the Tri-County area. The City has the tax software, expert staffing, and experience to administer tax. In the first 3 years of tax program the County will pay for system implementation costs to accommodate necessary tax system enhancements. In fiscal year 2022 the total cost will be \$12.9m which includes \$8.6m of system implementation costs and the remaining balance is for operational collection costs. Annual costs will level off in FY24 at approximately \$6.3m adjusted by consumer price index (CPI).

In addition to contract expenditures, this program includes two FTE (Project Manager and Finance Specialist Senior) to develop tax code, tax administrative procedures, tax handbook, educational materials, taxpayer outreach, development of tax forms, tax accounting, tax reporting, and other necessary tax administrative functions.
