Program Characteristics:

Executive Summary

The Evaluation and Research Unit (ERU) will provide high-quality, data-driven evaluation of countywide business operations and effectiveness of countywide program priorities. This unit will develop and monitor countywide business intelligence metrics, build needed evaluation capacity within Central HR, perform countywide consulting on evaluation and data visualization, and evaluate multi-jurisdictional county priorities including the Home for Everyone work on homelessness reduction.

Program Summary

The Evaluation and Research Unit is responsible for development and evaluation of countywide business intelligence metrics as well as evaluation of program effectiveness. The program will develop, monitor, analyze, and report on countywide organizational health, with additional emphasis on Central HR metrics and initiatives. The program will also allow for evaluation of cross-departmental county priority programs, including work with system partners to design and implement evaluations of the Home for Everyone project to end homelessness in the region. Additionally, the ERU program will perform research and evaluation for the Department of County Management and Central HR, will respond to information requests from county leadership and will consult countywide on program evaluation, analytical methods, and data visualization to assist departments in developing internal research and evaluation capacity.
