Executive Summary

Fiscal Compliance is responsible for maintaining compliance with Federal, State and County laws and regulations and to provide fiscal oversight of contracted programs. For this program the unit will perform pre-award risk assessments, site reviews and financial statement analysis of County human service contracts specific to Supportive Housing Services (SHS) funding. The unit will provide enhanced grant management policy development, guidance, and support to the Joint Office of Homeless Services.

Program Description

Fiscal Compliance will perform annual fiscal monitoring for all Community Based Organizations (CBO) that work with the County and that receive Supportive Housing Services funding. Monitoring includes financial statement analysis including cash flow and revenue reliance for all CBO's, and site and desk reviews. Site reviews include internal control, compliance and accuracy testing. Fiscal Compliance provides recommendations to align with best practices.

Fiscal Compliance performs annual risk assessments (which includes a financial statement review) on all contracts receiving SHS funding to assess the entity's financial health and recommend additional contract language to mitigate any risks identified.

Fiscal Compliance also offers both external and internal support around compliance including:

Internal support: approval of costing allocations, reviewing CBO budgets, and providing guidance for external audits.
External support: review of internal controls for fiscal recommendations, review of indirect rates and costing allocations, and invoice reviews.

The Fiscal Compliance unit performs financial monitoring of Supportive Housing Services funded human service providers. Monitoring includes financial statement analysis, fiscal compliance site reviews and invoice review and monitoring of the pass-through/program support general ledger account. A higher percentage/count monitored indicates greater coverage and decreased County financial risk as it relates to human services providers. None
