**Program Description**

Unemployment benefits are provided through the State of Oregon Employment Department. Multnomah County funds these benefits, as a self-insured employer, with direct payments to the state. The State bills the County quarterly.

Former employees, or employees who have had their hours reduced, submit claims to the State, who then determines eligibility and benefit amounts. Claimants or the County may file an appeal with the State if they want to contest an eligibility decision. A hearing with an administrative law judge would then be scheduled, at which the county would appear.

The Unemployment Insurance Program provides the funding to ensure eligible workers secure financial assistance when they are no longer employed by the County, or their hours are reduced. Employees staffing the program:

- \* Respond to the Oregon Employment Department’s claim forms and requests for information in a timely manner,
- \* Provide accurate and timely monitoring and reporting, and
- \* Participate in appeal hearings to decrease costs and liability due to ineligible claims.

The County does not contest eligible claims. Benefits claim decisions by the state can favor the applicant if our responses are late, data is inaccurate or we fail to respond to a requested clarification.

This program funds 50% of a position responsible for coordinating responses, tracking, communication, hearing scheduling and bill processing for unemployment claims countywide.

**Performance Measures**

Measure Type	Performance Measure	FY24 Actual	FY25 Budgeted	FY25 Estimate	FY26 Target
Output	Number of employee claims for unemployment	252	400	300	400
Outcome	Percentage of unemployment claim appeals found in the County's favor	71%	50%	50%	50%
Output	Number of unemployment appeals	7	15	10	15

**Performance Measures Descriptions**

Number of claims fluctuates annually depending on budget and layoff impacts. Appeals are filed when the county or claimant disagrees with the benefit eligibility decision by the State; claims in the County’s favor means a lower expense and lower risk to the County.
