Program Summary

DART performs the duties of the County Assessor including property valuation and assessment, property tax rate/levy calculation, certifying the property tax roll for collection, ownership and records management, and mapping. It is responsible for maintaining Real Market Value on over 309,000 real and personal property accounts, and capturing and calculating Measure 50 "exception value" defined as new construction, renovation or remodeling, which increases total Assessed Value of taxing districts. DART performs the duties of the Tax Collector who certifies the billing, collecting, and distribution of over \$1.9 billion in property taxes; and the County Clerk functions of document recording, marriage licenses and domestic partnership registrations, and administration of the Board of Property Tax Appeals.

The administration program plans, directs and coordinates the operations and activities of Multnomah County's Division of Assessment, Recording and Taxation. Administration is responsible for strategic direction and tactical planning; policy development and implementation; financial planning and budget development; employee development, training, succession planning and performance management; continuity of operations planning; technology and information systems which includes a new Assessment and Taxation System; quality control, program measurement and evaluation and process improvements; administrative support, communications, including the news media, and oversight of over 500,000 customer service interactions annually.

The program supports and provides leadership that ensures all property is valued accurately and taxed fairly as required by the Oregon State Constitution, Oregon Revised Statutes and Oregon Dept of Revenue Administrative Rules, monitors division activities and processes for statutory compliance, and submits required compliance reports to the Oregon Dept of Revenue. This program ensures the collection of property taxes in a timely manner that is fair and equitable to all taxpayers and maintains accurate, accessible property ownership records and property descriptions that are used in the production of county property tax maps. The program continues to provide quality customer service to taxpayers.

Performance Measures

Measure Type	Primary Measure	FY19 Actual	FY20 Budgeted	FY20 Estimate	FY21 Offer
Output	Total Number of Property Tax Accounts Administered	321,800	336,500	309,500	310,000
Outcome	Percent Acceptable Compliance Reports Required by Oregon Department of Revenue	100%	100%	100%	100%
Efficiency	Administrative Costs as a Percent of Actual Expenditures	6%	6%	6%	6%
Efficiency	Cost of Collection per Account (in Dollars)	\$4.00	\$4.00	\$4.00	\$4.00

Performance Measures Descriptions

The percent of required compliance reports received and accepted by the Dept of Revenue (CAFFA Grant Document, Appraisal Plan, Sales Ratio Study) implies adequacy of DART operations and uniform taxation. The goal is to maintain administrative costs at 6-7% of total DART operating program expenditures. The cost of collection per account will fluctuate depending on costs of collection activities and the number of accounts.

Legal / Contractual Obligation

Functions in this program are required under Oregon Revised Statutes (ORS) Chapters 92, 205, 294, 305-312 and 321. Additionally, ORS 306.115 assigns statewide general supervision of the property tax system to the Oregon Dept of Revenue (DOR). Through the "County Assessment Function Funding Assistance" (CAFFA) Grant process described in ORS 294.175, the DOR determines guidelines for acceptable levels of assessment and taxation staffing. Current DART staffing is at the lower end of adequate to perform statutory functions. Reductions to program may jeopardize grant revenue.

Explanation of Revenues

Participation in the Oregon Dept of Revenue's County Assessment Function Funding Assistance (CAFFA) Grant provides reimbursement of approximately 15% of program expenditures. Grant amounts can vary depending upon the overall statewide CAFFA pool and the allocated percentage to each participating county. Multnomah County's total share of CAFFA is estimated at \$2,930,889, with \$80,013 allocated to DART Administration. General Fund Revenue of \$65,000 is from a portion of the document recording fee for County Assessment and Taxation Programs (5% of the \$10 per document fee) and is for the maintenance of county property tax systems. The document recording fee may vary annually based upon economic factors affecting the real estate market and the number of documents recorded. (Note: The balance of the \$10 document recording fee is allocated to the County Clerk (5%) and to the County Assessment & Taxation Fund (90%) for distribution to the Oregon Dept of Revenue for deposit into the statewide CAFFA Account.) Remaining program support is from General Fund revenues.
