Executive Summary

The County Clerk Functions program consists of recording land related and other legal documents, issuance of Marriage Licenses and Domestic Partnership Registrations, acceptance of Passport Applications, creation and maintenance of permanent records, issuance of certified copies, and administration of the Board of Property Tax Appeals (BoPTA). BoPTA is responsible for hearing petitions from taxpayers who disagree with their property value. The Board makes decisions to reduce property values or waive personal property late filing fees based on evidence provided by the taxpayer.

Program Summary

Recording is the process of registering legal documents, thus making them a matter of public record. These documents are primarily related to real property transactions. The recording process requires staff to review every document for statutory compliance. The processes for Recording, Marriage Licenses, Domestic Partnership Registrations, and Passport Applications include the collection of statutory fees. With the exception of Passport Applications, the creation and maintenance of general indexes and the production of microfilm preserved for permanent retention is a statutory requirement.

For FY 2018, 146,889 documents were recorded, 6,905 Marriage Licenses were processed, 173 Domestic Partnership Registrations were issued and 12,545 Passport Applications were accepted. Last year 590 BoPTA appeals were processed. 7,974 passport photos were taken. All areas within the County Clerk Functions program provide direct customer service by responding to telephone, chat and email inquiries and walk-in customers. The Recording staff assist approximately 15,000 customers at the counter annually and respond to an estimated 15,000 inquiries. The Marriage License and Domestic Partnership staff assist approximately 28,000 customers at the counter annually and respond to a high volume of inquiries that are reported within the Customer Service total of approximately 140,000 annually.

This program also makes available records for customer use. Electronic recording functionality was installed in 2012 and additional service providers were added in subsequent years, improving efficiency and customer service. Currently, approximately 60% of recording transactions are completed electronically. Over the past three years, records were digitized and a new search engine for PC's used by customers was installed. Future plans, pending County Executive approval, include providing digitized records over the internet for public use.

The remaining licenses were returned to the county by the state for minor corrections. The "Average Number of Business Days to Return Original Recorded Documents" is a measure of compliance with the statutory requirement that documents be returned within 10 business days.

Legal / Contractual Obligation

The County Clerk functions are governed by Oregon Revised Statutes (ORS) Chapter 205. Multnomah County Ordinance 948 authorizes couples to voluntary register as domestic partners. Additional statutes pertaining to this program are found in ORS 106, 107,409,432 (marriage/state domestic partnerships); ORS 86, 87, 93, 100 (requirements for recording); and ORS 306 and 309 (Board of Property Tax Appeals). Guidelines for the acceptance of Passports are set by the US Department of State. Through the "County Assessment Function Funding Assistance" (CAFFA) Grant process described in ORS 294.175, the Dept of Revenue determines the acceptable level of assessment and taxation staffing; DART is already at the minimally acceptable level to perform their functions. Any reduction to the BoPTA portion of this Program may jeopardize the grant revenue.
