

Legal / Contractual Obligation

Functions in this program are required under Oregon Revised Statutes (ORS) Chapters 92-93,100,198-199,205,222,306-308,457,477-478. Additionally, ORS 306.115 assigns statewide general supervision of the property tax system to the Oregon Department of Revenue (DOR). Through the CAFFA Grant process described in ORS 294.175, the DOR determines the acceptable level of assessment and taxation (A&T) staffing. The DOR has determined that DART staffing is already at the minimally acceptable level to perform their A&T functions. Any reduction to this program may jeopardize this grant revenue.

Significant Program Changes

Last Year this program was: FY 2022: 72026 DART Ownership & Parcel Management

During FY 2022 an Office Assistant 2 position was reclassified to an Assessment & Taxation Technician 2. The Assessment & Taxation Technician 2 will be hired and join the Customer Service, Recording, and Parcel Management teams, and fill a gap that was identified. This new A&T Tech 2 will be an essential link between the three teams by overseeing the scheduling software, compiling statistical data, and overseeing financial reconciliation for all three groups. For FY23, an A&T Technician 1 permanent position was funded within existing general fund allocation by shifting available DART resources, with .40 FTE allocated to Program Offer 72026 Ownership & Parcel Management, and .60 FTE to Program Offer 72025 County Clerk Functions.
