**Program Description**

The DART Residential Appraisal program is legally required to value residential property in Multnomah County. This process provides property tax revenues that fund programs across Multnomah County and its local jurisdictions.

This program is responsible for maintaining the property values for 263,869 residential accounts, which include:

- Homes
- Condominiums
- Manufactured homes
- Floating homes
- Some small commercial use properties

**Equity Statement**

Services in this program are delivered uniformly to all customers.
