**Executive Summary**

The Tax Title Program, within the Division of Assessment, Recording and Taxation (DART), is responsible for project management, maintenance supervision, portfolio strategy, and final disposition of the County's tax foreclosed property. The Program's highest priority is foreclosure avoidance prior to County ownership as well as occupant support throughout the process. Vulnerable populations and historically disadvantaged groups are supported with appropriate resources using best practices. Less than 5% of the current portfolio (~210) properties have improvements or structures. Property dispositions are through public and private sales, government transfers, and on rare occasion donations to non-profits.

**Program Description**

The County comes into ownership of real property generally once a year (September/October) through the foreclosure of delinquent property tax liens. The tax foreclosed properties are deeded by the Tax Collector to the County thereby becoming the responsibility of the Tax Title Program which manages the dispossession pursuant Multnomah County Code Chapter 7 as a portion of a larger portfolio of long-held properties. After properties are deeded to the County they may become available for repurchase by qualified former owners of record. Special repurchase consideration may be given to former owners, their heirs or devisees due to the health, safety, housing, and economic conditions. The program consults with other County departments and community agencies for housing, services and support for occupants of tax foreclosed properties. Maintenance of the properties is performed through agreement and reimbursement to the Department of County Assets, Facilities and the Property Management Division.

The Tax Title Program researches and assesses properties deeded to the County to determine their highest and best use. The program will identify property to be sold at public sale in cooperation with the Multnomah County Sheriff's Office, a private sale or to make available for donation to governments or non-profits at the discretion of County management. Effective January 1, 2016, ORS 275.275 was amended to redirect the distribution of proceeds from sales, net of program expenses, to be credited to the General Fund, Sub-Fund 10030 Tax Title: Affordable Housing, for the following purposes: (i) Funds for housing placement and retention support services for youth and families with children; (ii) Flexible rental assistance to place youth and families with children into housing; or (iii) Funds to develop new low income housing that is affordable to youth and families with children with 30 percent or lower median family income.

**Performance Measures Descriptions**

The goal of the program is to first apply rigorous foreclosure avoidance measures and, if deeded, reinstate tax foreclosed properties to the tax roll or into public use. At the end of every budget year the tax foreclosed property revenues are totaled, operating expenses and pass-through payments are accounted for, and the balance of revenue will be disbursed to Multnomah County General Fund, Sub-Fund 10030 Tax Title: Affordable Housing.

## Explanation of Revenues

The Program is financially self-sustaining. Sales of Tax Foreclosed Properties (public sales, auctions, repurchases, and private sales) are estimated at approximately \$750,000 for FY 2024. Prior to deeding property to Multnomah County, the program directs a rigorous foreclosure avoidance outreach. If foreclosure avoidance efforts are successful it can significantly reduce the number of properties deeded to, and subsequently sold by, Multnomah County. The FY 2024 revenue estimate reflects the likelihood of continued success in the program's foreclosure avoidance efforts and Covid-19 considerations. If the program's revenues exceed the operating costs, the excess is distributed to Multnomah County Fund 10030 Tax Title: Affordable Housing, in accordance with ORS 275.275, and per formula provided in ORS 311.390.
