Executive Summary

Workday is part of the County’s enterprise resource planning system (ERP). Workday is designed to be managed and supported by business operational staff in Central Finance. The ERP Finance Support team provides strategic and operational leadership; maintains, troubleshoots, and enhances Workday finance functionality; and provides operational and learning support to finance staff to help the County use our ERP system to its fullest potential.

Program Summary

The ERP Finance Support team maintains, troubleshoots, and enhances Workday finance functionality to help the County use the ERP system to its fullest potential. This program supports planning, design, build, and testing of Workday configuration and custom reports. It maintains the system’s foundational finance data model. It includes a variety of operational and learning support services that range from responding to individual end user questions to preparing online self-service learning materials to delivering in-person training sessions. It supports active participation in the larger Workday Community and direct advocacy with Workday for functionality enhancements that would benefit County operations.

Workday functionality supported by this program offer includes: Allocations, Banking and Settlement, Business Assets, Customer Accounts (Accounts Receivable), Facilities Tasks, Finance Data Model, Financial Accounting, Grants Management, Inventory, Procurement, Projects, Project Assets, and Supplier Accounts (Accounts Payable).

The ERP Finance Support team performs the following key functions:

- (1) Analyze, design, build, test, and configure all changes made to the existing system, including features from mandatory, twice-yearly Workday system updates.
- (2) Maintain ERP’s foundational finance data model.
- (3) Maintain system business processes and security approach to establish internal controls over finance transaction processing.
- (4) Create new custom reports and maintain existing custom reports.
- (5) Meet regularly with finance stakeholder groups to create transparency and stakeholder involvement in decision making about which configuration projects will best meet the County’s business needs.
- (6) Provide operational and learning support to County finance users that creates a culture where people feel safe asking questions and trust they will receive quick and accurate assistance.
