Executive Summary

The DCM/NOND Human Resources (HR) Team provides the full range of HR services for the approximately 419 Full-Time Equivalent (FTE) positions of the Department of County Management (DCM) and all Nondepartmental agencies, including elected officials, the Office of Diversity and Equity, and the Office of Emergency Management. The DCM/NOND HR team supports all employees through the full employee lifecycle, with a focus on workforce equity and ensuring employees experience safety, trust, and belonging in keeping with County values.

Program Description

The HR team combines strategic planning with professional HR advice and support, serving as a strategic business partner and resource for managers and employees. Areas of support include development and implementation of staffing plans, including creating position descriptions; recruitment and retention; onboarding new employees; performance management for both represented and management employees; advice and coaching for employees and managers; HR information systems data entry, complex records management and compliance; timekeeping and e-timesheet training; and reviewing, interpreting, and ensuring compliance with collective bargaining agreements and County Personnel Rules.

All aspects of HR are directly linked to workforce equity and to employee's experiences of safety, trust, and belonging. The DCM/NOND HR team focuses on equitable and inclusive practices and policies for all elements of our work. Many of the goals in the Workforce Equity Strategic Plan (WESP) are directly tied to HR's actions or programs, and our team's support and work is fundamental to meeting the organization's commitments under the WESP during FY 2024.

In FY 2024 the DCM/NOND HR Team will:

- Provide focused support to the County's Nondepartmental agencies and the Department of County Management
- Develop and implement interview panelist training to mitigate bias, in partnership with the DCM Equity Team
- In partnership with the Office of Diversity and Equity, support the creation of a NOND Equity Committee with robust HR support.
