Executive Summary

The City of Portland's Revenue Bureau through an intergovernmental agreement administers and collects the Preschool for All personal income tax on behalf of Multnomah County as imposed under Chapter 11 of County Code. The administration started in tax year 2021 and will be for a 10 year term.

Program Description

On November 3, 2020, the voters of Multnomah County approved Preschool For All Program Ballot Measure 26-214 which authorized the County to impose a personal income tax to fund universal, tuition free, voluntary, and high quality preschool education for every three and four year old residing within Multnomah County. The tax is effective tax years beginning January 1, 2021, and applies to resident and non-residents: 1.5% tax on Oregon taxable income over \$125,000 and 3.00% tax on Oregon taxable income over \$250,000 for single filers. 1.5% tax on Oregon taxable income over \$200,000 and 3.00% for Oregon taxable income over \$400,000 for joint filers.

The City of Portland, through an intergovernmental agreement, is administering and collecting the tax on behalf of Multnomah County. The City of Portland has administered the County's Business Income Tax for over 27 years and administered the County's ITAX (temporary personal income tax) from 2003-2005. The City of Portland is also administering the Metro District Supportive Housing Services personal income tax for the Tri-County area, creating significant economies of scale. The City has the tax software, expert staffing, and experience to administer tax. The administration includes, but not limited to, promulgating administrative rules and policies, collecting estimated tax payments, auditing returns, assessing and collecting tax and tax deficiencies, including penalties and interest, processing refunds, hearing appeals, and other actions necessary to administer and collect tax. In the first three years of the tax program, the County paid for system implementation costs to accommodate necessary tax system enhancements directly related to the new tax; those costs end in FY 2023. Annual ongoing tax administration costs will total \$6.38m in FY 2024 and will be adjusted yearly by consumer price index (CPI).

County Treasury manages the intergovernmental agreement with the City of Portland.
