OF THE ROAD LUNCH & LEARN

BRING YOUR LUNCH!

Tuesday, May 8, 2018

Multnomah Building, Room 126

12 - 12:30pm

Many people **think** they know all the rules of the road related to bicycling in Oregon, and then they attend this free clinic with The Street Trust.

This clinic is for cyclists and drivers who want to learn about bicycle and pedestrian laws, insurance information, and what to do if there's a crash.

MAY IS BIKE MONTH!
