The government Finance Officers Association of the United States and Canada (GFOA) presented an award of Distinguished Presentation to Multnomah County for its annual budget. In order to receive this award, a government must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communication device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.
