Executive Summary

The Detention Electronics Program Offer will update the electronic systems in the Jail including the intercom: the video surveillance; touchscreen; access control; and administrative phone systems. This companion program offer to the Detention Electronics Capital Project provides escort services to the contractors while performing the work in the jail on the new systems.

Program Summary

This program offer provides for the required escort staffing to allow the contractors to be able to work in the jail facility. Escorts are necessary to provide for a safe environment, account for the tools and equipment as well as ensure work areas are free of hazards at the end of the workday.
