How to use this dental plan

Through Delta Dental PPO and Premier networks, we set limits on what dentists can charge for certain services. You'll save the most when you visit a Delta Dental PPO provider. They agree to accept our lowest contracted rates as full payment. Both Delta Dental networks protect you from 'balance billing' the practice of billing you the difference between your dentist's fees and the rates your dental plan will pay.

When the member visits:

Delta Dental PPO Dentists:

When you visit a Delta Dental PPO dentist you will have the lowest cost and the most savings. Members are held harmless from balance billing.

Delta Dental Premier Dentist, Non PPO:

When you visit a Delta Dental Premier dentist you will have slightly higher costs with some savings. Members are held harmless from balance billing.

Non Participating Dentists:

When you visit a Non-participating dentist benefits are paid up to the maximum plan allowable (MPA). Members may be held liable for the difference between the dentist's billed charge and the non-participating allowable.

If a more expensive treatment than is functionally adequate is performed, the Plan will pay the applicable percentage of the Maximum Plan Allowance for the least costly dentally sound treatment.
