Community Advisory Committee meetings are tentatively scheduled for the SECOND TUESDAY of each month. The meetings will be held at the Grange Hall # 840 from roughly 6:00- 8:30 PM. Each meeting will focus on specific policy issues. Most subcommittee meetings are from 3:00-5:00PM during the week, at the Multnomah Building on Hawthorne. Planning Commission open houses are scheduled throughout the process to allow the general public a chance to comment on draft work/ progress made. These meetings are intentionally scheduled before Planning Commission meetings to ensure the PC is continually engaged and informed in our process.

* Note: The asterisk (*) indicates that the CAC meeting will be preceded by a series of topic- specific subcommittee meetings. The subcommittees will be responsible for providing basic information and identifying policy alternatives to the topic at hand. Technical Advisory Committee members (generally relevant state and local agency staff) will be invited to participate in subcommittee meetings and may also participate in the relevant CAC meeting. In any case, the results of the subcommittee meeting will be presented at the relevant CAC meeting.

Before each of these meetings, CAC members will receive a packet of relevant information/agenda approximately a week prior. If you cannot attend any of the meetings or would like to add something to the agenda, please email Maia Hardy at maia.hardy@multco.us.
