### Executive Summary

This program offer is to restore the Yeon fueling station to full operation utilizing above ground tanks. The old facility was decommissioned. This will provide a dedicated fuel resource for Multnomah County in the East County area. This will also ensure that County staff are able to effectively meet fuel consumption needs in order to perform mission critical activities during an emergency event.

### Program Summary

Install two (2) 12,000 gallon above ground fuel storage tanks (AST), one unleaded fuel and one diesel fuel, fuel dispensers with related hardware; install the safety and protection equipment, and fuel control and monitoring systems; and perform the work related to concrete and asphalt pavements, excavation, curbs and drive lanes, piping, drains, clean outs, fittings; electrical upgrades to meet the city, county and DEQ code and permits requirements; and provide Project Management, contingency and site improvements.
