Executive Summary

The Department of County Assets (DCA) Administrative Hub Finance team is one of the five service teams in the Department of County Assets (DCA) Administrative Services Hub. This team provides accounts receivable, accounts payable, grant accounting, travel arranging and reconciliation, procurement card management services, and general accounting support to the DCA and to Non-Departmental County agencies and offices.

Program Summary

This program includes the administrative group responsible for accounts receivable, accounts payable, grant accounting, travel arranging and reconciliation, procurement card management services, and general accounting support. The Finance unit reports to the Contracts and Procurement Senior Finance Manager.

The Administrative Hub was established to create greater efficiency through the consolidation of duplicate business services functions that formerly existed separately in the Facilities and Property Management; Fleet, Records, Distribution Services, and Information Technology. Support is also provided to the Board of County Commissioners and several Non-Departmental offices allowing departmental leadership and elected officials to focus their efforts on delivering vital services to the public.

Support also includes collaboration with departmental partners in the review and modification of Administrative Procedures, policies, internal controls and the implementation of best practices.

In FY 2018, the Finance Hub is on pace to audit and reconcile than tens of thousands of Multco Marketplace transactions, 16,000 accounting and finance related transactions, and 7,000 P-card transactions.

Explanation of Revenues

Costs of the Administrative Hub are allocated proportionately among users: the County's internal services and the Department of County Assets. The General Fund supports charges apportioned to the non-departmental agencies. Internal service charges recover the costs associated with support of the Facilities, Information Technology, Fleet, and Distribution Funds, and reimburse the General Fund for these services.
