Executive Summary

This program offer provides funding for consulting services to continue to develop property development options and ideas for the Walnut Park property.

Program Description

The Walnut Park property and surrounding area requires a sizeable investment to modernize and advance the use of the space. The County invested in a development feasibility study during FY 2021-22. The feasibility study resulted in recommendations to solicit a development partner or other consultant services to continue to advance the Walnut Park initiative based on County leadership direction. This program offer provides funding for consulting services to continue to develop a plan. The work in FY 2023 and early FY 2024 will provide the County with needed information to determine the next steps in the redevelopment of the Walnut Park site.
