**Related Programs:** 78237, 78239  
**Program Characteristics:** One-Time-Only Request

**Executive Summary**

Multnomah County purchased the Rockwood Community Health Center site from Care Oregon in FY 2023. This location is a key access point for comprehensive primary care, dental, and pharmacy services. To assure that the space may continue to provide the highest quality experience for patients, this program offer supports repairs and building improvements identified as priority two for the facility.

**Program Description**

The Rockwood community represents a culturally and linguistically diverse population, with more than 64% of patients identifying as a Black, Indigenous, and/or Person of Color. The demand for safety net and Medicaid services remains stable in this community; approximately 15,000 low income community members report not having a usual source of healthcare. Care Oregon and Multnomah County are currently working to design a transfer of the property so that the County may directly own and maintain the building space.

This program offer addresses the priority two improvements which will upgrade the main entry, waiting area and reception area for security and energy efficiency. Following the priority one repairs outlined in Program Offer 78237 this set of improvements are the second highest needs of the facility in order to create a safe and comfortable facility for employees and clinic clients.

Priority two repairs are a multi-year project which spans FY 2024 through FY 2025.
