

**Division:** Facilities & Property Management

**Program Characteristics:**

**Program Description**

The Homeless Services Department (HSD) Capital Program manages facility projects outside Facilities' standard five-year Capital Improvement Program, ensuring collaborative planning and construction management between HSD, Facilities & Property Management (FPM), and site operators. These projects align with County design and accessibility standards, prioritizing warm, trauma-informed spaces for the public and employees. All program funds are dedicated to expanding bed capacity and replacing shelters as part of the HSD Shelter Strategy.

**Equity Statement**

The HSD Capital Program enhances shelter quality by creating more welcoming, trauma-informed environments that prioritize accessibility for people with disabilities. The program ensures that shelter spaces effectively meet the diverse and urgent needs of our unhoused community.
