

**Division:** Information Technology

**Program Characteristics:** One-Time-Only Request

Program Description

On May 1, 2025, the BOCC approved an ordinance (1336) that establishes a new lobbyist reporting requirement, transparency measures, and a rule requiring the Chair and County Commissioners to post their calendars online. The ordinance will take effect on July 1, 2026 and the supporting technology solutions will implemented by then, with work on-going into FY 2027.

This offer captures the DCA Information Technology (IT) project, a partnership between DCA IT and the COO’s Office, which addresses: 1) The identification, selection, or building of a software-based tool for lobbying tracking and reporting, and 2) The creation of calendars to share the required lobbying meeting information publicly.

Equity Statement

This offer will ensure effective lobbying transparency, and will enable our community with equitable access to lobbying information and Board calendars through the use of accessible technology solutions.
