## **Program Description**

Distribution Services provides central coordination between more than 50 county locations. We support the County's equity initiative by managing the logistical needs of those departments that serve vulnerable populations in the community, be it health clinics or homeless shelters.

We directly impact and benefit our community partners. Whether it's transporting vaccines, animal tags, prescriptions or tax statements, Distribution Services can efficiently handle bulk mailings and deliveries needed by the County. Our support of, and engagement with, other departments also positions Distribution Services to play a vital role in emergency preparedness for Multnomah County.

While the needs of the County shift, our program is positioned to meet those changing needs. There is built-in flexibility in the daily courier routes, while our in-house team can handle special deliveries and larger pick-up requests as needed. In addition, this program also coordinates with other government agencies in the area, such as the State of Oregon and the City of Portland, to bolster and support interoffice mail delivery, saving further on postage and enhancing intergovernmental workflows.

In the year ahead, Distribution Services will look to foster opportunities for engagement with County departments that do not currently employ Distribution Services for their mail or logistical needs, while also developing educational materials for partners we do serve. With all of the moving parts at work throughout the County, Distribution Services provides essential services that help our client's operations run smoothly every day.
