We ask our school district to prepare our children for successful careers, teach them to be valuable members of our community, and inspire them to be life-long learners. We expect our schools to feed our children healthy lunches, keep them safe during school hours, and be good stewards of tax-payer money. Gresham-Barlow School District does a decent job, but we can do even better.

My wife and I both grew up in Gresham and Damascus. We have two young GBSD students and enjoy being part of this community.

I want to continue my work on the Gresham-Barlow School District Board to help our district become the school district of choice. With continued work and dedication, we can make our district the best school district.

I am endorsed by Stand For Children Oregon.
