Occupation: Director, Technical Communication
Occupational Background: Computer software
Educational Background: Stanford University, BA
Anthropology/Psychology
Prior Governmental Experience: LO School Board, 1 year as
chair; LO Schools Foundation 7 years, 2 as VP

Education is a defining value for me and my family. My wife
Ruth is a 5th grade public school teacher and we are parents to
two LOSD graduates and a freshman at LOHS.

I was elected to the school board in 2015, after serving our
schools for many years as a classroom volunteer, member of
the Schools Foundation board, and working on our levy
campaigns.

Over the past four years we have made great progress

- Increased graduation rates to record highs
- Changed secondary start times to support student health
- Passed and began accountable implementation of the
District's first facilities bond in 20 years to update and rebuild
our schools, providing safe, modern places for learning
- Provided more STEM curriculum and career/technical
training
- Improved community outreach with a committee on diversity,
equity, and inclusion, student board representatives, and
town halls

**I ask for your vote for re-election so that our school board
team can move our community and schools forward by:**

- Addressing student mental health and safety
- Improving student nutrition
- Continuing successful bond implementation
- Reaching towards 100% graduation rate
- Expanding elementary reading supports

**"John is a great teammate and leader. He reaches out for
all voices in our community so we can move forward
together."** Sara Pocklington, LO School Board
