OPTIONAL INFORMATION

The small size, and diversity, of the Parkrose School District community are reasons my husband and I chose to live and raise a family here. We have two children attending elementary school in the district.

School should be an engaging, empowering and transformative experience for all students. Because of three decades of chronic statewide underfunding, less is available to Oregon public school students today than when we were kids: fewer programs, elective and enrichment choices, less time being active and more high-stakes testing.

My kids, our kids, all kids, deserve the best. Our students deserve fully funded school programs.

What do I stand for?

- Proven, effective strategies that help Parkrose students reach their potential
- A welcoming, safe environment where all students and staff are respected
- Thoughtful, evidence-based decisions
- Tirelessly advocate for the resources our students need
- Bringing back the programs and opportunities our students have lost
- Inclusive community engagement practices
- Collaborative leadership to serve our community

Some very good things are happening in Parkrose School District. Graduation rates are up, new inclusive community engagement strategies are getting more diverse voices to the table, all our schools are improving. I am asking for your support to continue serving all Parkrose students as a member of the school board.

I would appreciate your vote, we can do this together!
