The section creates integrated strategies to create lasting, meaningful relationships with the community; performs ongoing activities to promote library use; works to deliver rewarding experience in person and online; creates mechanisms to gather patron feedback, comments, and input; oversees the library's public website, online presence in social media and email marketing, and the library's intranet; maintains the library's mobile app; and provides critical input into strategic decisions on how to best meet the emerging needs of the public.

Legal / Contractual Obligation

The budget reflects the passage of Measure 26-143: "Form Library District with permanent rate to fund library services," November 2012 General Election. The district summary states in pertinent part: "If approved, the Multnomah County Library District would be formed with a permanent rate dedicated to library services, operations, books, materials, programs, activities and oversight of the district. Formation of a District would ... prevent reductions in services, programs and activities, and hours."
