Executive Summary

Adult Outreach provides library services and programs to Multnomah County residents underserved by traditional library means, including older and homebound adults, new immigrants, people with disabilities, adult learners, and those who are institutionalized, incarcerated or homeless. Adult Outreach delivers books and other materials to people who are homebound; provides resources and conducts classes and other programs for immigrants, new readers, older adults and GED seekers; and partners with community agencies.

Program Summary

Adult Outreach delivers books and other library materials and services to Multhomah County residents who are homebound, or who live in assisted living facilities, retirement homes, adult care homes, shelters, transitional homes or jails (the last in partnership with the Multhomah County Sheriff's Office).

Adult Outreach connects these people with their community by providing library services and programs, such as book discussion groups and instruction. Adult Outreach, in partnership with literacy organizations, supports people whose first language is not English — or who may not read or write well in English — by providing assistance, referrals, resources, and library programs, including citizenship classes, GED labs, literacy tutoring and Talk Time sessions (English conversation practice).

Delivering books, reading to residents of assisted living units, leading book discussion groups for seniors, teaching citizenship classes, leading book groups in the jails, connecting patrons with computer and e-reader classes and leading English conversation practice in neighborhood libraries also provides meaningful opportunities for volunteers, working with outreach staff, to contribute significantly to the lives of vulnerable residents.

Legal / Contractual Obligation

The budget reflects the passage of Measure 26-143: "Form Library District with permanent rate to fund library services," November 2012 General Election. The district summary states in pertinent part: "If approved, the Multnomah County Library District would be formed with a permanent rate dedicated to library services, operations, books, materials, programs, activities and oversight of the district. Formation of a District would ... prevent reductions in services, programs and activities, and hours."
