#### **Program Summary**

The Library Director's Office envisions the library's role and future in the community; translates that vision into strategic direction in partnership with the BCC, Library District Board, the community, and the LAB; represents Multnomah County Library on local, regional and national levels, working with other libraries and library organizations; partners with The Library Foundation and Friends of the Library to enhance public support and fundraising efforts; executes policy development and implementation with the senior management team; and leads in achieving enterprise-wide objectives with county peers.

Since voter approval in November 2012 to form a library district to fund library programs and services, the Library Director's Office has coordinated with key stakeholders and partners to maintain governance, budgeting and operational practices that comply with applicable statutes and policies. The Library Director's Office will continue this work to ensure that the library is best utilizing public resources to serve the community. This office is directly responsible to Multnomah County residents for the effectiveness and efficiency of the library system.
