Program Characteristics	S:			

Business Services manages and provides accounts payable, accounts receivable, fiscal reporting, budget preparation, grant reporting, purchasing and contracts for the entire library system.

Program Summary

Business Services manages the annual budget preparation and submission process; monitors and adjusts the budget throughout the fiscal year; manages contracts, procurement and grants; processes and oversees accounts payable/receivable; and administers purchasing cards and cash management for the library system. This program ensures that library funds are budgeted, received, accounted for and spent appropriately.

Business Services embrace equity and inclusion with an open procurement process. We invite under-utilized suppliers to participate in both existing and new sourcing events for library products and services. Through the State of Oregon's Certification Office for Business Inclusion & Diversity (COBID), we include Minority-owned, Woman-owned, or Emerging Small Business (MWESB) and Service-Disabled Veteran Business Enterprise (SDVBE) to informal bids or quotes and formal procurement. This program will analyze these efforts in the coming fiscal year to determine how well this process is meeting the library's goals for eliminating barriers.

Legal / Contractual Obligation

The budget reflects the passage of Measure 26-143: "Form Library District with permanent rate to fund library services," November 2012 General Election. The district summary states in pertinent part: "If approved, the Multnomah County Library District would be formed with a permanent rate dedicated to library services, operations, books, materials, programs, activities and oversight of the district. Formation of a District would ... prevent reductions in services, programs and activities, and hours."
