Program Summary

Logistics operates the centralized Sort Center and delivery operations that move library materials to and among library locations, enabling residents to have quick access throughout Multnomah County. This program operates a seven-day-perweek delivery system that provides delivery to 45 service points each weekday, delivering and receiving all library books and materials, interoffice mail, U.S. mail, library supplies and bank deposits.

Library Facilities provides central coordination and direction of repair and maintenance activities among county facilities staff, telecommunications, contractors and vendors for 22 library locations. This program serves all library staff and the public as expert resources on ADA-compliant building access, ergonomics, and workflow management, and assists the Safety and Security Manager with safety management as well as security policy development and implementation.

The district summary states in pertinent part: "If approved, the Multnomah County Library District would be formed with a permanent rate dedicated to library services, operations, books, materials, programs, activities and oversight of the district.
