Library Facilities provides central coordination and direction of repair and maintenance activities with county facilities staff, telecommunications, contractors and vendors for 21 library locations, and is responsible for the development of the five-year Capital Improvement Plan for library buildings. This program serves all library staff and the public as expert resources on ADA-compliant building access, ergonomics, and workflow management; assists the Security Manager and provides support for secure building access and security policy development and implementation. This program manages risk and safety for the library in coordination with the security program. It also acquires and coordinates central supply stores on behalf of the library system, including expanded supply quantities of PPE and disinfecting supplies in response to the pandemic.

Library Facilities, via the Logistics team, operates the centralized Sort Center and delivery operations that move library materials to and among library locations, enabling residents to have quick access to materials throughout Multnomah County. This program operates a seven-day-per-week delivery system that provides delivery to 37 service points each weekday, delivering and receiving all library books and materials, interoffice mail, U.S. mail, library supplies and bank deposits. It provides support to all library fleet vehicles including coordinating service, interfacing with County Fleet, and overseeing vehicle replacement/ procurement.

This program supports diversity, equity and inclusion by budgeting to upgrade facilities to better meet universal design standards to support equitable access for all in the coming fiscal year.
