Executive Summary

Neighborhood Libraries Management (NLM) sets overall direction for 18 regional and neighborhood libraries. NLM plans services; develops and evaluates programs and staff; and administers the budget for regional and neighborhood libraries. NLM also manages systemwide library services to the county's largest immigrant communities (through services, materials and programs in Chinese, Russian, Spanish, Vietnamese and Somali), with 71 bilingual staff in 14 locations.

Program Summary

Neighborhood Libraries Management consists of the Neighborhood Libraries Director, Neighborhood Libraries Assistant Director, two Spanish bilingual Outreach Specialists (1.75 FTE), and a Senior Office Assistant. In collaboration with the Library Director, NLM provides general support and oversight to 18 libraries and continual communication with staff at all levels of the organization; develops collaborative relationships with community and governmental organizations to maximize the impact of library services; sets priorities and policies for libraries to best address community needs and county priorities; implements best practices; and provides resources to individual managers, staff and work groups to improve their performance through ongoing training, coaching, leadership development and assessments.

NLM supports and directs the work of regional and neighborhood libraries, which were visited 3.8 million times by county residents last year. These 18 libraries provide learning, cultural and recreational opportunities to all county residents, as well as community space for civic engagement.

Legal / Contractual Obligation

The budget reflects the passage of Measure 26-143: "Form Library District with permanent rate to fund library services," November 2012 General Election. The district summary states in pertinent part: "If approved, the Multnomah County Library District would be formed with a permanent rate dedicated to library services, operations, books, materials, programs, activities and oversight of the district. Formation of a District would ... prevent reductions in services, programs and activities, and hours."
