**Executive Summary**

Volunteer Services provides opportunities for 2,000 people who contribute their time and talents to Multnomah County Library each year. Volunteers are active across the library system, including the 19 neighborhood libraries, the Isom Operations Center, and the Title Wave Used Bookstore, as well as various outreach programs. The Title Wave Used Bookstore generates revenue for the library through the sale of discarded books and other materials. Opened in 1988, the Title Wave Used Bookstore provides an effective means of recycling the library's collection back into the community.

**Program Summary**

Volunteer Services oversees the recruitment, screening, placement, performance management, position creation, volunteer policies and recognition of 2,000 volunteers. Volunteers enhance library services at locations throughout the community. The scope of volunteer opportunities includes booktalking with Books 2 U, conducting citizenship classes and delivering library materials to shelters through Adult Outreach, and teaching basic computer skills and searching for reserved items at all library locations. Volunteers share their skills and are given responsibilities that engage them in their libraries and neighborhoods. About 50 percent of library volunteers are students 10-18 years old. Students and adults are given an experience that provides life skills and engages them in their community. Last year, volunteers contributed nearly 66,000 hours of time to the library.

The Title Wave Used Bookstore recycles and sells discarded library books and materials to the community. The store is open 40 hours per week and is staffed by 65 monthly volunteers who are supported by one paid staff person. Because the used books are sold at reasonable prices, many of the Title Wave Used Bookstore's regular customers are teachers/media specialists buying books for their classrooms and libraries. Many home-school families buy books for educational purposes as well. Last year, the Title Wave Used Bookstore generated nearly \$175,000 in revenue.

## Legal / Contractual Obligation

The budget reflects the passage of Measure 26-143: "Form Library District with permanent rate to fund library services," November 2012 General Election. The district summary states in pertinent part: "If approved, the Multnomah County Library District would be formed with a permanent rate dedicated to library services, operations, books, materials, programs, activities and oversight of the district. Formation of a District would ... prevent reductions in services, programs and activities, and hours."
