GENERAL FUND

Basis of Accounting

The MCLD maintains the General Fund using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded in the accounting period in which they become measurable and available, and expenditures are recorded at the time liabilities are incurred.

General Fund (1520) – Accounts for revenues and expenditures of the Multnomah County Library District. The primary source of revenue is property tax collections related to the permanent rate passed by the voters of Multnomah County for the creation of the Multnomah County Library District, effective July 1, 2013. Additional sources of revenue include fines and grants. The expenditures are made pursuant to an intergovernmental agreement for library services provided by Multnomah County.

CAPITAL FUND

Basis of Accounting

The MCLD maintains the Capital Fund using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded in the accounting period in which they become measurable and available, and expenditures are recorded at the time liabilities are incurred.

Capital Fund (2514) - Accounts for revenues transferred from the Multnomah County Library District General Fund. Revenues are transferred according to financial policies adopted by the Multnomah County Library District Board. Expenditures are dedicated to Library District capital projects, as defined by the Library District adopted financial policies. Normal Library Operations will continue out of the Library Fund (1510).
