In addition to the definitions set forth in the IC-CPMC the following definitions apply to this subchapter:

Where terms are not defined in this subchapter or other code section and are defined in the state building, plumbing or mechanical codes, such terms will have the meanings ascribed to them as in those state codes. Where terms are not defined through the methods authorized by this section, such terms have ordinarily accepted meanings such as the context implies. Whenever the words "premises," "building" or other similar words are stated in this subchapter, they will be construed as though they were followed by the words "or any part thereof." Unless otherwise expressly stated, the following terms, for the purposes of this subchapter, apply only to residential rental property and have the following meanings:

**ABANDONED STRUCTURE.** A vacant structure, or portion thereof, that is an attractive nuisance to children at play, that is used for unlawful activity or that is otherwise unoccupied and untended.

**ATTRACTIVE NUISANCE.** A condition that can attract children and be detrimental to the health or safety of children whether in a building, on the premises of a building or upon an unoccupied lot. This includes, but is not limited to: abandoned buildings, abandoned wells, shafts, basements, excavations, abandoned iceboxes, refrigerators, motor vehicles, any structurally unsound fences or structures, lumber, trash, fences, debris, or vegetation such as poison ivy, poison oak or poison sumac that may prove hazardous for inquisitive minors.

**DWELLING.** Any building located in the county, which is wholly or partly used or intended to be used for living or sleeping by human occupants; provided that temporary housing as defined below shall not be regarded as a dwelling. (F) If a property owner does not remedy a violation as ordered by the director, the director at his or her discretion may take one or more of the following actions:

1. abate the violation and charge the cost of abatement to the property owner;
2. order a property to be vacated and closed for use as residential rental property.

(G) In a situation in which the property owner has refused to abate a violation, or has taken or threatened action that gives the director probable cause to believe such action will comprise a danger to department staff, any involved contractors, other individuals or the public generally, the director may request the assistance of the Sheriff in carrying out necessary investigation, abatement or enforcement actions as ordered by the director under this section or a hearings officer under § 21.870.
