

An estimated 266 to 558 classrooms needed

- Universal preschool for 3- & 4-year-olds
- Estimated based on proportionate share of slots available to 3- & 4-year-olds at licensed sites
- 20 children per classroom
- 80% overall participation assumed
- Estimate range:
 - all current providers (low-end need estimate)
 - only sites providing federal or state preschool and Spark rated 3+ sites (high-end need estimate)

Some regions of the County have greater infrastructure needs than others

Estimated need for additional classrooms by Multnomah County region, low-end need estimate
