Topic	Highlights
	<ul style="list-style-type: none"> ○ The Monthly Allotments have gone away, except for peer-Run Organizations & Residential Capacity Payments ○ Most contracts/service lines changed to Per Invoice pay methods with 1 of 2 payment basis: <ul style="list-style-type: none"> ▪ Fee-for-Service: where you put encounters into CIM those encounters have a rate associated with the service based on our Rate Sheet; ▪ Cost Reimbursement: where you provide us an annual budget and then send us invoices for actual expenses per month to be reimbursed up to your annual contracted amount in the budget. ○ Annual budgets are required for all Cost Reimbursement service lines, 30 days from contract execution date. We will reach out to folks that are sending invoices, and for whom we do not have budgets. ○ Please make sure to send the budgets to Zach Brooks or Lindsay Stover. ○ We are happy to sit down and go thru the annual budget template. If you need support, please reach out to us. ○ . ● Timely Filing: <ul style="list-style-type: none"> ○ Currently we have a 90-day timely filing period, except for DUII. Auths are 30 days (due to state reporting deadline). ○ The 90-day period creates issues at the end of the fiscal year due to 2 factors: <ul style="list-style-type: none"> ▪ County closing its FY ▪ State biennium funding ○ This makes it difficult for us to pay you for over-utilization if that occurs. ○ Likewise it's difficult to repurpose funds for under-utilization ○ To resolve this we need your feedback: <ul style="list-style-type: none"> ▪ What are some of the issues your agencies run into with getting encounters into CIM ▪ What if we changed all timely filing to 30 days?
