Good Faith Effort (GFE) Program, REQUIREMENTS

1. PROGRAM DESCRIPTION

Multnomah County has a compelling government interest to ensure that contracts provide employment opportunities for business certified with the State of Oregon as Emerging Small Business (ESB), Minority/Women Business Enterprise (M/WBE), Service Disabled Veteran (SDV) and Disadvantaged Business Enterprises (DBE) in order to address historical underutilization. Therefore, prime contractors are required to submit documentation showing that Good Faith Efforts (GFE) have been made to contract with COBID-Certified subcontractors on projects.

For projects that are greater than \$150,000.00, this program:

- 1) Evaluates the Good Faith Efforts (GFE) required of all Bidders,
- 2) Assists the County in recording subcontractor utilization on its projects,
- 3) Requires Contractors to perform GFE on ALL of their subcontracting opportunities (regardless of value),
- 4) Promotes the utilization and inclusion of COBID-Certified subcontractors on County projects.

2. PRE-BID REQUIREMENTS

- A. Bidders must use the GFE Divisions of Work identified in the Bidding Pages in the Sourcing Event. Bidders may identify other GFE Divisions of Work where subcontracting opportunities may exist. Bidders are required to make good faith efforts to contract with COBID-Certified subcontractors for each GFE Division of Work that Bidder intends to perform using a subcontractor.
- B. For the purposes of these specifications, “GFE Divisions of Work” shall be defined as any work item, or combination of items, that will result in a subcontract or purchase agreement should the prime Contractor be awarded this project.
- C. There may be multiple subcontract or purchase agreement opportunities within each Division of Work. Bidders are required to make good faith efforts for each opportunity. A Bidder may not use a “subcontractor” to perform any GFE Division of Work unless the Bidder has made good faith efforts as required by these specifications with respect to that GFE Division of Work.
- D. Bidders are **not** required to contact COBID-Certified subcontractors for any Division of Work that will be performed by Bidders’ own forces. If a Bidder indicates that it will self-perform work in a particular Division of Work, after Bids are due, a Bidder may add a COBID-Certified subcontractor in that Division of Work as long as Bidder complies with the requirements of Section 5, “**Addition Or Replacement of COBID-Certified Subcontractors After Bids are Due,**” below.
- E. These requirements are contractual obligations and will be included as part of the construction
- F. Failure to comply may result in a finding of breach of Contract, rejection of Bid, disqualification of the Bidder to bid on future contracts, or a claim for damages.
- G. Please go to the state’s website below to locate potential COBID-Certified subcontractors for each GFE Division of Work. Search codes for each GFE Division of Work you intend to subcontract by using Keywords such as Painting, Electrical, Landscaping, etc.... If you have

Good Faith Effort (GFE) Program, REQUIREMENTS

difficulty identifying potential COBID-Certified subcontractors, please contact Multnomah County Central Purchasing at 503-988-5111.

- H. This project is located within Multnomah County and when searching for potential subcontractors you are encouraged to contact subcontractors within the general area. If less than five (5) subcontractors are available, please expand your search perimeter.

Certification Office for Business Inclusion & Diversity (COBID):

<https://oregon4biz.diversitysoftware.com/FrontEnd/VendorSearchPublic.asp>

WHO TO CONTACT:

For **each** GFE Division of Work that will be performed by a COBID-Certified subcontractor, Bidders must contact:

- 1) Each COBID-Certified subcontractor, that attended the pre-bid meeting (if one was held) that identified itself as a COBID-Certified subcontractor in one or more specific GFE Divisions of Work that the Bidder will subcontract. The Pre-Bid Meeting Attendance List will be available to bidders on the Multnomah County Central Purchasing website, www.multco.us/purchasing **AND**
- 2) The Bidder shall contact a minimum of five (5) COBID-Certified subcontractors for each GFE Division of Work that will be subcontracted. If there are fewer than five (5) COBID-Certified subcontractors listed on the COBID website for a particular GFE Division of Work, Bidders shall contact **all** of the subcontractors that are listed in that GFE Division of Work and document the keywords searched for that Division of Work on GFE Form 2.

WHEN TO CONTACT:

Bidder shall make the first contact with each COBID-Certified subcontractor a minimum of seven (7) calendar days before the Bid opening. For example, if Bids are to be opened on Thursday, the first contact shall be on or before the Thursday of the preceding week; if opened on Tuesday then on or before the Tuesday of the preceding week.

HOW TO CONTACT:

- 1) Bidders shall contact COBID-Certified subcontractors by letter, e-mail, or FAX to advise them of potential subcontracting opportunities.
- 2) Bidders shall follow up with telephone calls to each COBID-Certified subcontractor contacted to determine if a Bid will be submitted, or if further information is required. A COBID-Certified subcontractor need not be contacted if that subcontractor responds to the first contact with a statement that the COBID-Certified subcontractor will not bid on this project or if a COBID-Certified subcontractor has already submitted a sub-bid.

WHAT INFORMATION TO PROVIDE:

Bidders shall ensure that COBID-Certified subcontractors have an equal opportunity to compete for work by having the same information as other subcontractors. Bidders shall inform COBID-Certified subcontractors of the date and time that sub-bids are due. (See Section 4. Submission of Required Documentation, below.)

3. OPTIONAL GOOD FAITH EFFORTS

Bidders should also consider efforts such as:

- 1) Advertisements in community-based newspapers (i.e. Portland Observer, Skanner, Asian Reporter, El Hispanic News, etc.)
- 2) Letters to Minority, Women Service-Disabled Veteran owned Community Organizations
- 3) Alternative methods of participation in Minority, Service-Disabled Veteran owned, Women or Emerging Small Businesses through arrangements such as joint ventures/partnerships, negotiated subcontract agreements and competitive Bids.
- 4) Purchase of construction materials and equipment from COBID-Certified Suppliers.

4. SUBMISSION OF REQUIRED DOCUMENTATION

FORM 1 SUBCONTRACTOR AND SELF-PERFORM WORK LIST

Due day of bid opening by 4:00 pm – from all bidders

- 1) Bidders shall submit Form 1 with their bid by 4:00 PM. on the day the Bid is due. Failure to submit Form 1 on time will result in Bid rejection.
- 2) Form 1 shall list ALL subcontractors; to include COBID-Certified subcontractors, to be used on this contract regardless of the dollar amount. This is more than what is required by the State of Oregon’s subcontractor disclosure form. If Bid includes alternates for additional work, Bidders shall list ALL additional subcontractors; to include COBID-Certified subcontractors, who will be used if the County elects to perform the additional work.
- 3) Bidders shall list all scopes of work they intend to self-perform and separately list any GFE Divisions of Work where the identity of COBID-Certified subcontractors who will perform the work is undetermined at time of Bid.

FORM 2 COBID-CERTIFIED SUBCONTRACTORS, CONTACT AND BIDS RECEIVED LOG
Due day of bid opening by 4:00 pm – from all bidders

- 1) Completed Form 2 must demonstrate the Bidder has met the Good Faith Effort requirements outlined in this document. Form 2 is NOT required from Bidders who will be self-performing all work. However, the County strongly encourages the use of COBID-Certified firms in all of its contracting processes.
- 2) **Solicitation letter, email, or FAX:** All Bidders shall submit one copy of the letter, email or FAX sent to **each** COBID-Certified Subcontractor indicating the date initial contact was solicited for this project. If multiple forms of letter, email or FAX contacts were sent, submit a copy of each.

Good Faith Effort (GFE) Program, REQUIREMENTS

- 3) Unless self-performing all work, failure to timely submit Form 2 will result in Bid rejection. Failure to timely submit the solicitation letter, email or FAX may result in Bid rejection, in the County's discretion. Contractors shall submit additional information upon request if the County believes it needs to clarify the Bidder's Good Faith Efforts.
- 4) If for any reason the apparent low Bidder is not awarded the contract or their Bid is rejected, the next apparent low Bidder shall be contacted.

5. ADDITION OR REPLACEMENT OF COBID-CERTIFIED SUBCONTRACTORS AFTER BIDS ARE DUE

- 1) The selected Bidder will not be permitted to add or replace a COBID-Certified subcontractor after Bids are due without the consent of the Central Purchasing Manager. The Central Purchasing Manager must be notified in writing immediately upon the need to substitute a COBID-Certified subcontractor.
- 2) No COBID-Certified subcontractor may be **added** or **replaced** after the Bid is due unless the Bidder complies with the requirements of ORS 279C.585 and makes good faith efforts to contract with a COBID-Certified subcontractor for the work to be performed. Documentation of good faith efforts is required and must be submitted to the Central Purchasing Manager prior to adding or replacing a COBID-Certified subcontractor.

6. ENFORCEMENT AFTER CONTRACT AWARD

The County's commitment to this program is reflected, in part, by the cost of administering the program. Failure to meet the requirements of this section of the Contract negates such funding and impairs the County's efforts to promote contracting diversity and to provide fair and equal opportunities to the public as a whole as a result of the expenditure of public funds. Therefore, the parties mutually agree that failure to meet the requirements of this section of the Contract, including but not limited to the submission of required documentation, constitutes a material breach of Contract. In the event of a breach of Contract, the County may take any or all of the following actions:

1) Withholding Progress Payments

The County may withhold all or part of any progress payment(s) until the Contractor has remedied the breach of contract. In the event that progress payments are withheld, the contractor shall not be entitled to interest on said payments. If a subcontractor(s) is responsible for noncompliance with the Good Faith Effort Program requirements, the County may choose to withhold only their portion of the progress payment.

2) Liquidated Damages – GFE Program Non-Compliance

The parties mutually agree that it would be difficult, if not impossible, to assess the actual damage incurred by the County for the Contractor's failure to comply with the Good Faith Effort Program. The parties further agree that it is difficult, if not impossible; to determine the cost to the County when contracting opportunities are not provided. Therefore, if the Contractor fails to comply with the Good Faith Effort provisions of this Contract, the Contractor agrees to pay the sum of \$1,000 for each violation. These damages are independent of any liquidated damages that may be assessed due to any delay in the project caused by the Contractor's failure to comply with this or

Good Faith Effort (GFE) Program, REQUIREMENTS

other provisions of the Contract.

3) Liquidated Damages - Delay

The Contractor agrees that any delay to the specified contract time as a result of the Contractor's failure to comply with the requirements of this section shall subject the Contractor to the amount of liquidated damages specified elsewhere in the Contract.

4) Possible Debarment

Failure to comply with the requirements of this portion of the Contract may lead to the Contractor's disqualification from bidding on and receiving other County contracts.

5) Other Remedies

The remedies that are noted above do not limit any other remedies available to the County in the event that the Contractor fails to meet the requirements of the Good Faith Effort Requirements.

7. REVIEW OF RECORDS

In the event that the County reasonably believes that a violation of the requirements of this section has occurred, the County is entitled to review the books and records of the Contractor and any subcontractors employed on the project to which the requirements of this section are applicable to determine whether such a violation has or has not occurred.

In the event that the Contractor or any subcontractor fails to provide the books and records for inspection and copying when requested, such failure shall constitute a material breach of this Contract and permit the imposition of any of the remedies noted in Section 6 above, including the withholding of all or part of any progress payment(s).
