### What is DART?

The Division of Assessment, Recording and Taxation (DART) is a multi-faceted organization within Multnomah County, that provides and funds a diverse set of services to the County's 750,000+ residents. As public servants, we work for the common good and for the residents of Multnomah County.

DART's functions include: Property Tax Assessment; Property Tax Collection; Issuing Marriage Licenses and Domestic Partnerships; Recording (property ownership changes and land records); Passport Acceptance Facility; GIS and Cartography.

Find out more about us on our [Public Webpage](#).

### Why an internship in DART?

As the first Division in Multnomah County to host college interns, DART currently has five College to County alumni who hold full time positions. DART internships offer project-based positions, professional development, resume-building skills, impactful end results, and competitive pay. There are opportunities to work on individual projects as well as group/team projects with other College to County participants.

If you are unfamiliar with DART, you might find the work and career paths we offer align with many of your interests and goals. Previous interns with major coursework in fields such as Business, Human Resources, and even Engineering have made connections between their internship experience and their long term education and career goals. Along with an internship, DART provides county-wide networking and mentorship for College to County participants to expand their view of all the county has to offer.

**Internship Description:**

DART is seeking talented and engaged, college students with demonstrated community leadership skills to assist and lead projects in:

- Appraisal and Valuation
- Employee Engagement

Projects vary based on experience, skills and interests of hired interns. There may be opportunities for interns to build their own small projects as well. Past projects have included:

- Employee Equity and Engagement projects
- Community Outreach projects
- In-office Research and Review
- Field Inventory studies
- GIS projects

**Knowledge/Skills/Abilities Required:**

- Working knowledge of Business Math and Business English, including grammar, spelling, punctuation and word usage.
- Familiarity with Microsoft Office or Google Suite, ie: Word, Excel, Sheets, Docs, etc.
- Ability to receive and understand verbal and written directions.
- Ability to work cooperatively and develop effective working relationships with diverse workgroups.
- Ability to learn office methods, practices, and procedures.

**Please note**, some projects may require the possession of a current driver's license and the ability to operate a car in rural and congested areas.

**Diversity and Inclusion:** At Multnomah County, we value difference and support efforts to create a culture of dignity and respect for our employees. We are proud to be an Equal Opportunity Employer.
