- Serious Leadership for Serious Times

With the coronavirus impacting all of us, Portland needs leaders with the experience to rebuild our economy, protect the vulnerable and those impacted by job loss, and sustain our long-term health and quality of life.

With your vote, I'll apply my executive public health leadership and deep experience in homelessness and economic development to address long term needs and immediate challenges of the pandemic.

Strengthen Action on Housing and Homelessness

At Metro, I led regional efforts to expand housing and shelter. In Portland we must:

- Fund best practices to get people into safe, stable housing.
- Reduce cost and improve accountability to produce more affordable housing.
- Create living wage jobs that keep people from slipping into poverty and housing insecurity.

As a teenager I lost my father to mental illness and drug addiction. I'm deeply committed to solutions that address conditions contributing to chronic homelessness.

A Healthy, Economically Vital, Inclusive Portland

I've built partnerships creating jobs and apprenticeship programs and delivered low income TRIMET fares. I've led Metro's efforts to protect parks and nature. I'm fighting for living wage jobs for a sustainable city and economy:

- Expand job programs for workers impacted by the pandemic.
- Restore and sustain Portland Parks and Recreation, including pools, community centers, and recreation programs.
- Win free Youth Transit Passes.
- Invest in climate-smart congestion relief, pedestrian and bike safety, and earthquake-proof bridges.

We endorse Sam!
