Dear Multnomah County Voter:

This Voters’ Pamphlet for the May 19, 2020 Primary Election is being mailed to residential households in Multnomah County.

Here are a few things you should know:

- You can view your registration status at oregonvotes.gov/myvote. There you can update your voter registration or track your ballot. The Voter Registration/Party Change Deadline is April 28, 2020.

- If you wish to vote for the Democratic or Republican Party candidates in the May Primary you must register with one of those parties by the Voter Registration/Party Change deadline, April 28, 2020.

- You can choose or change your party by updating your voter registration information online (with Oregon DMV ID) oregonvotes.gov/myvote or filling out an Oregon Voter Registration Card. The Voter Registration/Party Choice Deadline is April 28, 2020.

- If you are registered with the Democratic or Republican party you will also receive a precinct committeeperson ballot, however precinct committee candidates do not appear in this Voters’ Pamphlet.

- If you change your party affiliation near the April 28, 2020 deadline you may receive two ballots Vote only the second ballot with your new party.

- Ballots will be mailed beginning on Wednesday, April 29. If you don’t receive your ballot by Thursday, May 7, 2020, please call 503-988-VOTE (8683) or email elections@multco.us.

- We’ve moved our ballot drop box on SE 11th Ave. one block north. Due to impending construction of a new building in our neighborhood, we’ve moved our 24-hour drop box on the East Side of SE 11th Ave. one block north. It is now located on the East side of SE 11th Ave. between SE Alder St. and SE Morrison St. Look for signs with directions placed around the building. The drop box on the north side of SE Belmont St between SE 10th Ave and SE 11th Ave has not moved.

Voted ballots MUST be received at any County elections office in Oregon or official drop site location by 8:00 PM, Tuesday, May 19 to be counted.

If you have any questions, you can contact our office at 503-988-VOTE (8683).

Sincerely,

Tim Scott, Multnomah County Director of Elections

Stay home, stay safe, vote by mail!

New in 2020: Stamps are not needed to return your ballot by mail!

Two ways to return your ballot
1. Vote from home, by mail with free postage - mail no later than Thursday, May 14, 2020.
2. Or, at any Official Ballot Drop Site in Oregon by 8:00 p.m. on Election Day, Tuesday, May 19, 2020.

Oregon has closed primary elections

This means that if you wish to vote for either the Republican or Democratic presidential candidates, you must be registered to vote with either the Democratic or the Republican Party. If you are not registered with either major party, you will still be eligible to vote for measures and any non-partisan candidate offices in your voting district.

Facts to Know about Voting and Elections

Who can register to vote in Oregon?
• You must be a United States citizen,
• A resident of Oregon,
• And at least 16 years old. You will get your first ballot in the mail once you are at least 18 years old.

You must register to vote at least 21 days before Election Day.

How can I register to vote?
• Online at oregonvotes.gov/register or
• On a paper Oregon Voter Registration Card that can be picked up at an elections office, public library, Oregon DMV, or post office.

How does vote by mail work?
All elections in Oregon are conducted by the county elections office. The elections office mails ballots directly to voters. Voters complete their ballots, and then return them to the county elections office in the mail or by putting them into an official ballot drop box.

Vote by mail in a few simple steps:
1) Register to Vote
2) Receive a Voter Notification Card
3) Receive a Voters' Pamphlet
4) Receive Your Ballot
5) Vote Your Ballot
6) Return Your Ballot

How do I vote my ballot?

Find the candidate or measure response (YES or NO) of your choice. Completely darken the oval to the left of your choice with blue or black ink.

*** Do not use felt tip markers.

Write-in Votes

To vote for a write-in candidate who does not appear on the ballot, completely darken the oval to the left of the line provided for the office and write the full name of the candidate on that line.
• Make sure you have correctly marked your choice for each contest.
• Your official ballot may have contests printed on both sides.
• Place the ballot in the return identification envelope. **You may use the optional secrecy sleeve.
• Read the Voter’s Statement on the return envelope and sign on the signature line.
• Your ballot cannot be counted if you do not sign the return envelope.
• Every signature is checked against the registration signature on file. The signatures must match for the ballot to be counted.

If you vote for more candidates than allowed for an office or if you vote both Yes and No on a measure, it is called an overvote and your vote will not count for that contest.

If you make a mistake or change your mind while marking your ballot,
• You may correct it yourself. See example below.
• Make your choice obvious so that your intent is understood and your vote is counted correctly.

*** If you are unable to correct your ballot, you may request a replacement ballot from the elections office.
Return Your Ballot

Mail your ballot in the return envelope with free postage by May 14, 2020. Drop off your ballot at an official 24-hour or library drop site by 8:00 p.m. Election Day, May 19, 2020. Postmarks do not count. Your ballot must be returned before 8:00 p.m. on Election Day.

ATTENTION – IMPORTANT INFORMATION

If the library is closed when you drop your ballot off, please use the 24-hour book drop box at the library to deposit your ballot. Ballots will be picked up from library and 24-hour drop sites on a regular schedule.

¿Quién puede registrarse para votar en Oregon?
- Ciudadanos de los Estados Unidos.
- Residentes de Oregon.
- Ciudadanos de 16 años o más. *Recibirá su primera boleta por correo a los 18 años de edad.

Debe registrarse para votar por lo menos 21 días antes del día de la elección.

¿Cómo puedo registrarme para votar?
- En línea en oregonvotes.gov/register
- Con una Tarjeta de Inscripción de Elector de Oregon. *Se puede obtener en los siguientes lugares: la oficina electoral, en una biblioteca, en el Departamento de Vehículos Automotores de Oregón, o en el correo.

¿Cómo funciona el voto por correo?
Todas elecciones en Oregon son conducidas por la oficina electoral del condado. La oficina electoral envía las boletas por correo directamente a los votantes. Los votantes llenan sus boletas y luego las devuelven a la oficina electoral del condado por correo o las depositan en una caja de votación oficial.

Pasos para votar por correo:
1) Regístrese para votar
2) Reciba la tarjeta de notificación para votar
3) Reciba el folleto para votar
4) Reciba su boleta electoral
5) Vota su boleta
6) Envíe su boleta

¿Cómo puedo votar mi boleta?
Selezione un candidato o su respuesta a una medida (SÍ o NO) de su elección. Llene completamente el óvalo de la respuesta que corresponda con su elección con tinta azul o negra.
*** No use marcadores de punta de fieltro.

Para votar por un candidato que no aparece en la boleta, llene completamente el óvalo a la izquierda de la línea por la oficina electoral y escriba el nombre completo del candidato en esa línea.

- Asegúrese que ha llenado correctamente cada una de sus elecciones.
- Su boleta oficial puede contener varias contiendas en ambos lados.
- Ponga su boleta en el sobre donde va su firma.
  **Puede utilizar la cobertura opcional de confidencialidad.
- Lea la Declaración del Votante en el sobre donde va su firma y firme en la línea designada.
- Su boleta no será contada si no firma el sobre.
- Cada firma se confirma con la firma de registro que está en el archivo. Las firmas deben ser iguales para que la boleta pueda ser contada.

Si vota por más candidatos de los permitidos para una oficina o si vota SÍ y No como respuesta a la misma medida, se considerará como un voto excedente y será anulado; su voto en esa carrera no contará.

Si comete un error o cambia de opinión al marcar su boleta,
- Puede corregirla usted mismo. Vea el siguiente ejemplo.
- Haga que su elección sea evidente para que su intención sea entendida y su voto sea contado correctamente.
  - Si no puede corregir su boleta, puede solicitar una boleta de reemplazo en la oficina electoral.
Envíe su boleta

Envíe su boleta en el sobre de devolución con franqueo gratuito antes del 14 de mayo de 2020.

Entregue su boleta en un sitio de entrega oficial las 24 horas o en una biblioteca antes de las 8:00 p.m. del día de las elecciones, el 19 de mayo de 2020.

Los matasellos no tienen validez. Debe entregar la boleta antes de las 8:00 p.m. del día de las elecciones.

ATENCIÓN - INFORMACIÓN IMPORTANTE

Si la biblioteca está cerrada cuando vaya a dejar su boleta, use la caja de entrega de libros disponible las 24 horas en la biblioteca para depositar su boleta. Las boletas serán recogidas de la biblioteca y de los sitios de entrega las 24 horas regularmente.

Кто может зарегистрироваться в качестве избирателя в шт. Орегон?
• Граждане США;
• Лица, постоянно проживающие в шт. Орегон;
• Лица старше 16 лет. Вы получите свой первый избирательный бюллетень по почте по достижении 18-летнего возраста.

Вы должны зарегистрироваться в качестве избирателя не позднее чем за 21 день до дня голосования.

Как я могу зарегистрироваться в качестве избирателя?
• Онлайн на веб-сайте oregonvotes.gov/register, или
• заполнить бумажную регистрационную карточку избирателя шт. Орегон, которую можно получить в избирательной комиссии, публичной библиотеке,
• в отделе транспортных средств шт. Орегон или почтовом отделении.

Как я могу проголосовать по почте?
Все выборы в шт. Орегон проводятся избирательной комиссией округа. Избирательные бюллетени рассылаются избирателям избирательной комиссией по почте. Избиратели заполняют бюллетени и отсылают обратно по почте в избирательную комиссию или опускают в урну для избирательных бюллетеней.

Как проголосовать по почте:
1) зарегистрируйтесь в качестве избирателя;
2) получите уведомление о регистрации в качестве избирателя;
3) получите буклет для избирателя;
4) получите бюллетень для голосования;
5) заполните бюллетень для голосования;
6) сдайте бюллетень для голосования;

Как заполняется бюллетень для голосования?
Выделите необходимого кандидата или обозначьте свой выбор с помощью «ДА» или «НЕТ». Полностью закрасьте овал слева от выбранного кандидата синими или черными чернилами.

*** Не используйте фломастеры.

Чтобы проголосовать за кандидата, который отсутствует в избирательном бюллетене, полностью закрасьте овал слева от предусмотренной для этого строки и впишите в нее фамилию и имя кандидата.
• Убедитесь, что вы правильным образом отметили на бюллетене всех выбранных вами кандидатов.
• Фамилии кандидатов могут быть напечатаны на официальном бюллетене с обеих сторон.
• Вложите бюллетень для голосования в конверт с обратным адресом. **Вы также вправе воспользоваться конвертом для тайного голосования.
• Ознакомьтесь с заявлением избирателя на конверте с обратным адресом и поставьте свою подпись в строке для подписи.
• Ваш бюллетень для голосования не будет учтен, если вы не поставите подпись на конверте с обратным адресом.
• Каждая подпись сверяется с подписью, поставленной избирателем при регистрации. Чтобы бюллетень был учтен, поставленные подписи должны совпадать.

Если вы одадите свой голос за большее число кандидатов, чем предусмотрено, или отметите оба варианта «ДА» и «НЕТ», такой бюллетень считается недействительным, и ваш голос не будет учтен на выборах.

Если вы ошибетесь или измените свое решение во время заполнения бюллетеня:
• Вы можете исправить это самостоятельно. См. пример ниже.
• Обозначьте свой выбор так, чтобы он был верно понят и учтен.

• Если внести исправления в бюллетень невозможно, вы можете получить в избирательной комиссии новый бюллетень взамен старого.
Сдача бюллетеня для голосования

Отправьте свой бюллетень в конверте с обратным адресом и бесплатным почтовым сбором до 14 мая 2020 г.

Оставьте свой бюллетень в официально утвержденном круглосуточном пункте сбора или пункте сбора в библиотеке до 20:00 в день выборов 19 мая 2020 г.

Почтовые штемпели не принимаются. Вы должны вернуть свой бюллетень до 20:00 в день выборов.

ВНИМАНИЕ! ВАЖНАЯ ИНФОРМАЦИЯ

Если на момент возврата бюллетеня библиотека закрыта, воспользуйтесь круглосуточным ящиком для возврата книг в библиотеке. Сбор бюллетеней в библиотеке и вышеуказанных круглосуточных пунктах будет осуществляться по регулярному графику.

俄勒冈州哪些人可以登记投票？
- 必须是美国公民。
- 俄勒冈州居民。
- 至少年满16周岁。年满18周岁的公民可以通过邮寄形式获得自己的第一张选票。

您必须至少在选举日前21天登记投票。

我该如何登记投票？
- 通过网站 oregonvotes.gov/register 在线操作，或使用纸质版俄勒冈州选民登记卡。此卡可在选举办公室、公共图书馆、俄勒冈州机动车辆管理局（DMV）或邮局获取。

如何通过邮寄进行投票？俄勒冈州的全部选举活动都由县选举办公室执行。选举办公室将选票直接邮寄给选民，选民填写完选票，然后将选票寄回至县选举办公室，或放入官方投票箱。

邮寄投票的简单步骤：

1) 登记投票
2) 获取一张选民通知卡
3) 获取一份选民手册
4) 获取您的选票
5) 填写您的选票
6) 寄回您的选票

如何填写我的选票？

投票给选票上未列出的候选人时，您必须将办公室所给出的横线左侧的椭圆涂满，然后在横线上写下候选人的全名。

- 请确保您正确地标记好您在每轮竞选中的选择。
- 在您的官方选票的两面可能都印有竞选信息。
- 将选票装进回函信封中。**您可以选择使用选票保密封套。
- 请仔细阅读回函信封上的选民声明并在签名栏签名。
- 您必须在回函信封上签名，方可使选票生效。
- 每个签名都会与文件上的登记签名进行核对。签名核对无误的选票方可生效。

如果您投的候选人超过允许人数，或对某个选项同时投了是和否，则属于过度投票，您的投票将无法生效。

如果您在投票时填错或改变主意。
- 您可以自己更正。参考如下示例。
- 务必让您的选择清晰可辨，从而让人理解您的意图并让您的选票正确生效。

如果您无法更正您的选票，您可以向选举办公室索取新选票。

找到您所选择的候选人或选项（是或否）。
使用蓝色或黑色墨水将您所选择的选项左侧的椭圆涂满。

*** 请勿使用毡尖笔。

Macluumaadka ay Tahay In Laga Hayo Codaynta iyo Doorashooyinka

Yaa isku diwaan gelin kara inuu ka codeeyo Oregon?
• Waa inuu ahaadaa muwaadin Mareykan ah,
• Deggan Oregon,
• Ugu yaraan 16 sano jir. Waxaad ku heli doontaa warqaddaada codaynta ee ugu horreysa boosta marka aad gaado ugu yaraan 18 jir.

Waa inaad isku diwaan gelisaa codaynta ugu yaraan 21 maalmood kahor Maalinta Codaynta.

Sideen iskugu diwaan gelin karaa codaynta?
• Onlayn ahaan [oregonvotes.gov/register] ama
• Isaga oo daabacan Kaadhka Isdiwaan Galinta Codaynta Oregon oo laga qaadan karo xafiiskada doorashooyinka, laybareeriga shacabka,
• Oregon DMV, ama xafiiska boosta.

Sidee codaynta boostu u shaqayso?
Dhammaan doorashooyinka Oregon waxaa qabta xafiiska doorashooyinka degmada. Xafiiska boostu waxa uu waraqaqada codaynta toos ugu diraa codbixiyayaasha. Codbixiyayaasha waxay buuxiyaan waraqaqaha codaynta, oo waxay kusoo celiyaan xafiiska doorashooyinka degmada iyaga oo ay boosta usoo marinayaan ama ku ridaya sanduuqada codaynta ee rasmiga ah.

Ku codee boosta adoo raacaya dhawr tallaabo oo fudud:
1) Isku diwaan geli Codbixinta
2) Hel Kaadhka Wargelinta Codbixiyaha
3) Hel Waraaqaha Codbixiyaha
4) Hel Warqada Codbixinta
5) Codkaaga Dhiibo
6) Soo Celi Warqada Codbixinta

Sideen ugu codayn karaa warqada codbixinta?

Hel musharaxa ama qiimee jawaabaha (HAA ama MAYA) ikhtiyaarkaaga. Gabi ahaan ku buuxi madaw goobaabta dhanka bidix ee ikhtiyaarkaaga oo adeegso qalin far buluuga ah ama madaw.

*** Ha isticmaalin maarker.

Si aad ugu codayso musharax lagu qoray oo aan ku qormayn warqada codaynta, gabii ahaan ku buuxi madaw goobaabta bidixda ka xigta sadarka uu xafiiska leeyahay oo ku qor magaca saddexan ee musharaxa sadarkaas.
• Waxaad xaqiijisaa inaad si saxda ah calaamadisay musharax kasta oo aad dooranayso.
• Warqadaada codaynta ee rasmiga ah waxaa dhici karta inay labada dhinacba kaga daabacan yihii musharixiintu.
• Ku riiq warqadan codaynta bushqada soo celinta ee aqoonsiga leh. **Waxaad isticmaali kartaabu warqadaa sirta ah ee ikhtiyaarka ah.
• Akhri Weeda Somaliga Codbixiyaha ee bushqada lagu soo celinayo oo saxeex lahaynka saxeexa.

** Codkaaga la tirin maayo hadii aanad saxeexin bushqada warqada lagu soo celinayo.

** Saxeex kasta waxay soo loo eegi doono saxeexa diwaan gelinta faylka kujira. Waa in saxeexyadu isku mid noqdaan si warqada codbixinta loo tiryo.

Haddii aad u codayso wax ka badan musharaxiinta inta la oggol yahay ee u tartamaysa jiga ama haddii aad ugu qorto labadaba Haa iyo Maya qiyas ahaan, waxaa loo yaqaan xadh-dhaafin oo codkaaga looma tirinayo tartankaas.

Haddii aad khaladto ama aad isbaddasho adiga oo codaynaya,
• Adiga ayaa sii kara. Fiiri tusaalaha hoose.
• Caddee dookhaaga si loo fahmo cidda loogu talogalay oo si sax ah loo tiryo codkaaga.

Haddii aad awoonin inaan saxdo warqadaada codbixinta, waxaad dalban kartaa inaad ka hesho baddal xafiiska doorashada.
Si Aad Usoo Celiso Warqada Codbixinta

Warqaddada codbixinta kusoo dir boqshada soo celinta adoo adeegsanaa waxa boosting bilaashka ah marka la gaaro Maajo 14, 2020

Dhig warqaddada codbixinta meel si rasmi ah 24 sacadood u shaqaysa ama meel maktabad ah oo la dhiyo marka la gaaro 8:00 p.m. fiidnimo. Maalinka doorashada, Maajo 19, 2020.

Istaamka boostada lama xisaabinaayo. Warqaddada codbixinta waa in lasoo celiyaa kahor 8:00 p.m. fiidnimo Maalinka Doorashada.

FIIRO GAAR AH – MACLUUMAAD MUHIIM AH

### Commissioner, District 1

**Sharon Meieran**  
**Occupation:** Multnomah County Commissioner; Emergency room doctor  
**Occupational Background:** Lawyer; Medical Director, Oregon Foundation for Reproductive Health  
**Educational Background:** UC Berkeley; Hastings College of Law; UCSF Medical School  

Prior Governmental Experience: Prescription Drug Monitoring Program Advisory Commission; Portland Police Community Oversight Advisory Board, Mental Health Crisis Subcommittee Co-Chair  

Sharon is dedicated to improving access to mental health care, fighting homelessness, and strengthening our community:  
- Launched the first comprehensive analysis of our mental health care system.  
- Led the county’s effort to hold drug manufacturers accountable for the opioid epidemic.  
- Successfully advocated for a mental health resource center in downtown Portland.  
- Advocated for stronger diesel emissions and clean air standards.  
- Helped lead efforts to sue the Trump administration over cuts to Planned Parenthood.  
- Serves on the executive committee for A Home for Everyone to fight homelessness.  
- Supported increasing capacity of housing with access to mental health and substance use disorder treatment.  

Sharon will continue to focus on:  
- Increasing services to combat the mental health crisis.  
- Ensuring access to housing for the most vulnerable.  
- Improving the intersection of public health, safety, and human services to ensure our limited dollars help the most people.  

“Sharon’s work is fundamentally transforming our Multnomah County’s mental health system. We need her.”  
- Multnomah County Chair Deborah Kafoury  

“Sharon understands the challenges of chronic homelessness on both the policy level and on the front line.”  
- Rachel Solotaroff, M.D. homeless physician/advocate  

“As a County Commissioner, ER doctor and mom, Sharon knows how to set priorities and make tough decisions.”  
- Senator Ron Wyden  

“I have never seen anyone more qualified to be our County Commissioner.”  
- Representative Earl Blumenauer

### Commissioner, District 3

**Jessica Vega Pederson**  
**Occupation:** Multnomah County Commissioner  
**Occupational Background:** State Representative, Project Manager  
**Educational Background:** Loyola University Chicago  

Prior Governmental Experience: County Commissioner 2017-2020; Democratic Precinct Committee Person 2006-2016  

Community Involvement: Center for Women’s Leadership; NARAL Pro-Choice Oregon; Portland Children’s Levy  

Jessica Vega Pederson  
A Progressive Champion for Multnomah County  

Our Community’s Values  
Jessica is a proven progressive champion for working families. She accomplished:  
- Leading the fight on climate change with a county-wide commitment of 100% renewable energy by 2050 and establishing environmental justice principles for Multnomah County.  
- Driving efforts for regional transportation investments that prioritize safety, equity and climate.  
- Spearheading a statewide law guaranteeing Oregon workers the right to earn paid sick days.  
- Increasing the minimum wage to a living wage so more Oregonians can meet their basic needs.  
- Passing a landmark law requiring universal background checks on all Oregon gun purchases.  

Our Community’s Priorities  
As our housing, childcare and other living expenses keep increasing, Jessica understands how critical the right priorities are for our elected officials. That’s why she’s committed to:  
- Affordable housing options throughout Multnomah County  
- Expanding preschool to all children in Multnomah County  
- Supporting senior centers, especially in underserved communities  
- Investing in infrastructure improvements for transit, new sidewalks, and seismically resilient bridges  
- Improving access to mental health and drug treatment services  
- Protecting our environment for now and for future generations  

“Jessica Vega Pederson has all the qualities of a proven leader. We can count on her to work passionately and collaboratively in finding solutions to help Multnomah County families thrive.” – Governor Barbara Roberts

Dear Neighbors,

I ran for County Commission to fight for greater investments in east Multnomah County, which has some of the highest poverty rates in the state. I’m proud of the progress we have made, but there is much more to do, from addressing generational poverty to improving public safety. In my next term, I will build on our accomplishments so we continue to create opportunities in East County.

Increasing access to jobs in skilled trades

I cosponsored the Construction Diversity Equity Fund which sets aside 1% of the County’s capital projects for apprenticeships for women and communities of color.

Expanding Homeless Outreach and Programs Engagement Team

Successfully advocated for a third year of funding for the Multnomah County Sheriff’s Office HOPE team (Homeless Outreach and Programs Engagement). This two-person, full-time team connects houseless residents to services so they can find a pathway out of homelessness.

Improving access to healthcare

I fought for a new school-based health center at Reynolds High School which is opening 2020 on their newly remodeled campus.

Lori supports our community every day. Join us in supporting her!

Vote Lori Stegmann.

Randy Rapaport

Occupation: Developer of Multi-family housing
Occupational Background: Managing member of Clinton Retail LLC a Local developer of multi-family housing; Educational psychologist, Oregon schools; Investment Advisor
Educational Background: Trinity University, Bachelor of Science, Educational Psychology, Master of Arts (MA); Trinity University, Business Administration (BS), Minor Art History; Chartered Financial Consultant Ch.F.C
Prior Governmental Experience: None
Portland needs new leadership to improve livability for everyone. We must respond to the affordable housing crisis, effective management of homelessness and associated services, government inefficiency, and poor governance. My candidacy seriously challenges business as usual in a corrupted system that we can no longer afford to host because livability is deteriorating all around us. If elected, we will adopt a back-to-basics approach to direct resources where they are needed most. Under my administration we will not be sending our tax dollars to the Portland Art Museum or Ballet before we effectively fund the most basic of human needs such as affordable housing, mental health services, substance abuse remediation, and food security. City resources and services will be assessed on cost/benefit analysis using best practices to optimize effective outcomes to meet our community goals. We will develop a comprehensive response to abrupt climate change with a focus on deep adaptation, renewable energy, transportation, and local agriculture in partnership with area university, medical, public school and transit systems. My work history has prepared me to lead with 27 years of business and service experience in Portland: I’ve worked as a licensed educational psychologist, a coffee shop owner and operator, a developer of multi-family housing, a restaurant owner, a trustee of Portland’s Pioneer Courthouse Square, a board member of Sequential Biofuels of Oregon, and as a supporter of the arts. These intentional work and civic service experiences and my love of Portland makes this candidacy worthy of your consideration.

Occupation: Philanthropist, Trauma-Informed Advocate and Community Organizer
Occupational Background: Accounting, Banker, Logistics, Educator, founder of Don’t Shoot Portland in 2015, a non-profit that provides legal resources for marginalized communities
Educational Background: Jefferson High School c/o 88; Trend Business; Western Business College
Prior Governmental Experience: Ran for office in 2012 against Amanda Fritz for City Commission seat 1; Ran against Loretta Smith for County Commissioner 2014, Elected PCP for North Portland District 2; Member of steering committee of community based organization founded by Barbara Willer (Black Women for Peace) in 2012-2015; Business and Economic Chair for Oregon Assembly for Black Affairs 2012-2015; Co-Chair for Ceasefire Oregon Books Not Bullets 2012, Steering committee member for Oregon Health Department STRYVE program 2012-2014.
My name is Teressa Raiford, and I am a fourth-generation resident of traditional village sites of Multnomah, Clackamas, and many other tribes currently known as Portland, Oregon. Growing up and inner-city youth in the Irvington/Alberta neighborhood, I was exposed to many of the issues our city still faces today, gun violence, housing displacement, discrimination and racism. It was these early experiences that heightened my self-awareness to injustices. Providing testimony at city halls, state Capitals and state work group committee meetings, I’ve demanded audits surrounding equity, education, public safety, police accountability and state inter-agency access for those who need it most. When I received an invitation extended to advocates and national leaders against gun violence during the Obama administration, it became apparent to national and state leaders that my consistent and articulate leadership is rooted in a bold commitment to change. I will focus on providing humane and effective solutions to the houseless crisis, fight for living wages, do the most for renters’ rights and create true racial justice in our city. “These systemic failures should require a direct approach that engages those most vulnerable and helps them become educated in civic process.” Teressa Raiford

**Housing and Homelessness**

Together, we more than doubled shelter capacity, helped over 6,000 people off the streets, and built 800 new units of affordable housing. **We’ll continue tackling this crisis, connecting housing and shelter with addiction treatment, mental health and other services.**

**Climate Crisis**

We’re moving Portland to 100% renewable energy, and working with other cities to reduce transportation and building emissions. **We’re not waiting for Salem or Washington, DC. Let’s keep doing our part.**

**Public Safety**

Portland Police Bureau is adopting more capacity, de-escalation training, behavioral health personnel, and improved victim services. **Let’s continue building trust to keep all Portlanders safe.**

**Equity and Opportunity**

We’re helping companies expand youth employment, helping small and minority owned businesses, and focusing transportation policies on neighborhood connectivity. **Together we can make Portland a place for all to thrive.**

Occupation: Self-employed

Occupational Background: Medical education, data storage technology; food cart owner/operator; property management

Educational Background: Los Gatos High School, general, diploma; Sawyer College of Business, legal secretary, certificate

Prior Governmental Experience: Chair, Powellhurst-Gilbert Neighborhood Association; Co-chair, 2011 Charter Commission; Portland Housing Advisory Commission; Portland/Multnomah Food Policy Council

If you are happy with the way things are in Portland, I’m not your candidate.

If you believe as I do that our government is broken, I hope you will consider me as your choice for Mayor after reading my vision for Portland and what I will do to guarantee you have a government defined and guided by your goals and values.

My time as co-chair of Portland’s 2011 Charter Commission made it clear to me that what our government says, and what it does, are often two very different things.

The upcoming Charter Commission will be the only opportunity for another 10 years for Portlanders to define how they want their government structured and to put in place clearly defined boundaries and firewalls that will guarantee accountability and transparency, as well as eliminate the waste of money and resources.

While the Charter Commission is doing its work, I will make sure it is fully supported and protected from government interference. As for governance, I will keep all Bureaus and Offices under the Mayor’s Office, but have the entire City Council work together as a team providing oversight and dissecting each aspect of government to remove any waste of money and/or resources. All oversight will take place in Council Chambers, will be open to the public, and recorded for Public Access.

With me as Mayor, you will lead.

**Prior Governmental Experience:** Oregon Innovation Council

I am proud of my deep Oregon roots and was raised in a family dedicated to public service. I am still called to serve but with Portland facing a pandemic, I have decided to suspend my campaign and focus on COVID-19 response efforts.

I have always believed that people matter more than politics. Now more than ever, we need leaders who will collaborate, do what is in the public interest, and tackle our housing and homeless issues.

There is so much we all need to do to keep our city and its people safe and that’s where I will be spending my time: harnessing the creative and entrepreneurial spirit of Portland’s small business community to tackle the challenges that COVID-19 brought to health care professionals.

With the spread of COVID-19, we learned to rely on neighbors who believe in Portland. This community spirit must be carried on by our leadership to tackle problems like homelessness, housing, and climate change.

I do want to take this space to tell you about who I am. I have spent my career leading diverse coalitions to protect our values.

As a grassroots environmental organizer, by bringing all stakeholders to the table, I helped defeat a ballot measure intended to overturn global warming legislation.

As a legislative director in Congress, I am proud of our innovative solutions, including permanently protecting land along the west coast.

As an executive, I brought business and policymakers together to prevent bad online actors from deceiving consumers and businesses.

As a LGBTQ+ community member, I am grateful to Basic Rights Oregon Equality PAC Greenlight, the LGBTQ Victory Fund, and the individuals and organizations who backed my campaign.

I look forward to working with you and my fellow neighbors in the months and years to come.

  - Protecting equal rights to protest
  - Welcoming all immigrants, races, religions & sexual orientation

“Activist, writer, and teacher from Portland Susan Anglada Bartley’s thoughts on Cash Carter”

**Policing**

Mr. Carter did not express an anti-police stance. He did not express any statements related to police abolition. I got the feeling that he values the role that police play.

**The Arts**

Mr. Carter expressed a passion for music and the arts. He mentioned wanting to promote more public concerts and music events. The way he answered made me think that he would like to be a leader who works toward greater civic engagement in a way that Portlander’s would really enjoy.

**How I felt in the presence of this candidate**

Cash Carter seems really cool. I got the feeling that he is a highly motivated person who does not want to be underestimated. I got a sense that he is proud of his working class roots. I also got the sense that he loves the Portland Trailblazers from the emblem on his hat. He seems like a guy who could get along with anyone, which is important for a mayor. He is open minded and on-the-spot creative. Jan 22nd 2020 www.medium.com/@susanangladabartley/reflections-on-the-1-2t-portland-mayoral-candidate-forum-565ca4e23ea0

This is no time for politics as usual.

Now more than ever, Portland needs a hard-working, courageous, compassionate mayor who can bring us together to reshape our city toward greater equity and sustainability.

The current mayor promised us experience and competence, but he’s failed to solve our city’s problems. The Portland we love could be unrecognizable after four more years on his watch.

I’m offering you an alternative.

I grew up in a union family in a factory town and worked my way through school while raising my family. I know anything is possible when we come together and work hard but we need a leader who believes in the power of community with the right values, practical experience, professional know-how, and a sense of optimism to see us through.

My small-donor campaign means that in City Hall, I’ll fight for everyday Portlanders in public, not for big-money donors and corporate lobbyists behind closed doors.

I’m endorsed by powerful grassroots organizations like Our Revolution, Sunrise Movement, and The Street Trust Action Fund and greenlighted by Basic Rights Oregon Equality PAC Greenlight and Oregon Smart Growth.

I’m the only leading candidate championing these comprehensive solutions:

• A Green New Deal for Portland creating good-paying union jobs while regaining global climate leadership
• Housing for All Strategy for more affordable housing, protecting renters, distributing homelessness solutions across neighborhoods, and building age-friendly communities
• Public Safety Reforms saving taxpayers money while protecting Portlanders through police accountability, safer streets and transit access, and safeguarding immigrants and refugees
• Representative Government we can trust to serve everyone, including Communities of Color and residents of East Portland
• Coordinated Disaster Response including investments in education, preparedness, and infrastructure

“I’ve worked with Carmen for years on issues ranging from criminal justice to education and immigrant rights. Carmen is the hardworking, collaborative leader our city needs.”

-Senator Ron Wyden

**Safe, Stable Housing for All.** Leaders at every level of government must work together on the number one challenge: our housing shortage and homelessness crisis.

- We should deploy our bond dollars to build more affordable housing now.
- We need reasonable eviction protections and more rent assistance to prevent homelessness in the first place.
- We need supportive housing with mental health, addiction treatment, and other services for the chronically homeless.

**Climate Action Now.** Portlanders want more to be done to fight climate change and our investments must reflect that. Our dollars must fund sustainable practices, create demand for renewable energy, and preserve and grow parks and other green spaces.

**Invest in Every Corner of Portland.** Investments in our workforce, roads, sidewalks, and buses can’t just be about downtown. I will always fight for the parts of our city that have been underserved, like east of 82nd and outer NE Portland.

**A More Representative Government.** I will work to change Portland’s form of government so when you look at City Council, you see your neighborhood and your community reflected back at you.

# Isham (Ike) Harris
**Position:** Commissioner, Commissioner, Commissioner, Commissioner, Commissioner

**Occupation:** Pastor, School Bus Driver

**Occupational Background:** U.S. Navy; Letter Carrier, U.S. Postal Service; Prison Ministry, Sheridan Federal Prison

**Educational Background:** Carter High School, Brandon, Mississippi; Portland Community College

**Prior Governmental Experience:** None

As City Commissioner, Isham plans to:

1. Support the City Club plan to restructure Portland City Government, from Mayor Commissioner to multimember districts with a City Manager.
2. Engage big business and big tech in the transformation of empty buildings to centers of hope for Portland homeless population, using the Wapato Prison as a model. I applaud the recent transformation from a prison to the “Bybee Lake Hope Center.”
3. Clean-up all garbage from our streets.
4. Collaborate at federal, state and local governments to find solutions for the homeless youth crisis.
5. Make every effort to clean up Portland dirty air. According to national air toxics assessment Portland airshed is bursting with a toxic stew consisting of dozens of heavy metals and toxic compounds.
6. Engage the City of Portland in race talks with the intent of revisiting Portland racist history then moving forward with equitable outcomes.
7. Encourage the building of a new bridge from Washington to Oregon before 2025. Portland is the 10 fastest growing metropolitan area in the U.S.
8. Engage community, parents, students, law enforcement with discussions on how to encourage graduation on time.
9. Strengthen the neighborhood associations by encouraging more participation from people of color.

Heavenly Father deliver our nation, the world and Portland in particular from the coronavirus pandemic, give faith and sweet consolation to each of our citizens, deliver your people from fear and despair in Christ Jesus name Amen.

Occupational Background: Primary Care Naturopathic Physician; Emergency Department Technician; Ambulance Operator; Surgical Recovery Technician  
Educational Background: National University of Natural Medicine, Doctorate of Naturopathic Medicine; California State University of Fullerton, Kinesiology, B.S.  
Prior Governmental Experience: Naturopathic Medical Student Association; Federal Advocacy Campaign for American Academy of Naturopathic Physicians  
Alicia McCarthy is NOT a politician, and she would NOT label herself as an activist either. She is, however, someone who deeply cares about our community and everyone in it. She is a small business owner, a working professional, and a proud mother. Alicia recognizes a need in our local government for a voice of common sense. Portland needs a voice that can be sensitive and considerate of all arguments, but is dedicated to the health and development of our growing city. As a primary care physician she makes critical decisions daily and is ready to bring this experience to city government.  
Portland has experienced incredible growth over the last ten years. Our population has increased with nearly 7,000 residents every year since 2010. During this exciting period of growth, we must focus on a “Back to Basics” approach to local government; in order to maintain a balanced society. Alicia is a common sense candidate that will focus on the fundamental needs that create a balanced and vibrant community for all.  
Platform:  
Government: Restructure local government to include a city manager and representatives from multiple districts.  
Transportation: Lower carbon emissions through incentive and innovation not penalties.  
Education: “All In” approach for our future generations. Infrastructure: Invest in a robust infrastructure that will support a growing community.  
Common sense candidate with a back to basics approach. Here to move Portland forward.

A TENACIOUS ADVOCATE FOR RESPONSIBLE AND TRANSPARENT CITY GOVERNMENT  
SE Portland resident since 1971, deeply involved in local politics and issues that affected the community. I cannot remain silent and watch things happen that do not benefit city residents, the common good and the environment. Your vote will enable me to tackle the following issues:  
CITY GOVERNMENT  
MAINTAINING PUBLIC PROPERTY IN PERPETUITY  
I support maintaining city properties for the benefit of current and future Portlanders. These common lands include parks, community centers, water resources, school campuses, and other properties purchased with taxpayer dollars.  
PORTLAND COMMUNITY REPRESENTATION  
I will work to give Portland residents a framework for making their voices heard. My approach will focus on grass-roots representation by geographic district.  
LAND USE AND EQUITY  
Developers with deep pockets have more influence over City Council land use decisions than do neighborhood people. I will work to ensure a level playing field for residents at the local level.  
PORTLAND TRANSPORTATION SYSTEMS  
I support all modes having an equitable voice in transportation planning. As Portland grows, having a good transportation strategy for the movement of people and goods is vital.

**MEET TIM**

Tim fears for the effect industrial pollution has on his sons, works hard to create solutions for affordable housing, and advocates for parks. He is a student of urban planning who stands for fiscal responsibility and common-sense change.

“I worked with Tim on a major construction project, and found he is able to coordinate scheduling, maintain a budget, and do the work necessary to get the job completed properly and on time” Michael Church, Michael Church Homes

**HOUSING**

Every Portlander is or knows someone who struggles to make ends meet. With so many teetering on the brink of homelessness during calm times, any disaster can spiral families out of a home. The lack of affordable housing is more than a humanitarian crisis, it is an economic crisis for the city. Portland must support builders to expand affordable housing. As a City Council member, Tim will reduce red tape and prioritize providing quality, affordable housing for all Portlanders.

**SAFE PARKS**

Tim sees the benefit of public green spaces. His ideas to create additional revenue streams can be used to revitalize aging structures and facilities, and to keep open beloved family hangouts, like Columbia Pool.

“Tim was always fully engaged with our discussions and demonstrated a genuine open-mindedness even when varying perspectives were presented. His creativity, common sense and understanding...will serve him well in the Portland City Council” Nicolai Kruger, Nicolai Kruger Studio

I love Portland!!! I’m a Community Collaborator with a Passion to Serve YOU!! I’ve been serving faith, business & government leaders for the past 40+ years. My family immigrated from France in 1680's and migrated to south Georgia, where I grew up from 1960-80's and we were very intentional to have friends from different backgrounds. I was the first grandson to attend college and my Dad cut down pine trees to fund my education in Nashville. After learning service in the hotel industry, I moved to southern California, then Colorado Springs & then to northern California, where I met my wife, who grew up in Vancouver, WA. We moved to Portland in 1996 to start our family and live the American Dream, which turned into the American Nightmare, as we filed for bankruptcy in 2009, lost our house and have several children in Heaven. Over the past 10 years, we've been rebuilding our lives with no credit lines, wherein I own a small business and have been serving the city by connecting leaders to work together, build bridges and better our communities for everyone, via our public charity, Serving Our Neighbors. In 2013, we began serving Portland's Sister City Associations and in 2015, I was knighted as a Royal Rosarian, "The Official Ambassadors of the City of Portland." In 2016, we launched the Emergency Preparedness Leadership Forum to bring government, business & faith leaders together to know, like & trust each other, before a disaster. In 2017, we began working with BESThq, a regional business collaborative community, focusing on Relationship, Empowerment & Inclusion and also began collaborating with leaders to use the Wapato Jail as the new Bybee Lakes Hope Center to help the unsheltered transition back into our community. A New Generation of Leadership
As a first generation “Blacktina”, daughter of Guatemalan immigrants and African Americans from the South, my values about democracy are rooted in the experiences of my multiracial family. I represent a generation that feels left behind by our economy and left out of the conversation. I have built my career on strategic, compassionate leadership, and I’m ready to bring a fresh perspective to City Hall.

A Functional Government is Possible
Portland used to think of itself as a big small town, but now we have big city problems. We need elected officials to represent the communities they live in, not just the bureaus they oversee. We must finally end our dysfunctional form of government.

Addressing Houselessness is Possible
Today “affordable housing” is not affordable at all, and we can’t build it fast enough. We must work across bureaus to sweep away the regulations that create barriers to affordability, and ensure that we have a robust, well-funded rental assistance program. Our houseless community needs essential services like water and sanitation immediately. We must increase frontline services with street-based case management systems to help those in crisis get the support they need now.

Police Accountability is Possible
As acting chair of a police accountability board for the city, I know we ask our understaffed police bureau to do the tough job of keeping us safe, but there is no excuse for the broken systems that do not hold problem officers accountable. It’s time to rebuild trust between the people of this city and the officers sworn to protect them.

Progressive Values. Pragmatic Leadership.
A Better Portland is Possible

Our city was in crisis before this pandemic and now we can’t hide it. It is time to come together and rebuild our city and make it one that works. Most voters were already upset with the lack of progress prior to the pandemic on critical crises like housing, homeless and transportation.

As the Chair of the Portland School Board and later as CEO of All Hands Raised, I brought people together to tackle big challenges like our abysmal high school graduation rates. Working together, we increased graduation rates 11.5% and for students of color, we accelerated the results, 15.5%. Thousands of Portland youth now have a brighter future!

“I’ve known Dan for more than a decade. He always has kept North Portland front and center in his work. Dan is glue, he brings people together. Our city will be in good hands with Dan’s seasoned leadership,” House Speaker Tina Kotek

“We need leadership! Dan knows how to build the bridges between the private and public sectors. Dan is the right fit at the right time to help us innovate out of this crisis.” Duncan Campbell, Founder Friends of the Children

“Dan leads with inclusion and inspiration. I’ve been on many boards, yet never with a CEO with the ability to align us and play to our strengths. He is an elegant, humble and driven leader!” Karis Stoudamire-Phillips, Director of Corporate Responsibility

As a gay man living with HIV since 1986, I have been fighting the status quo my entire career. If you think our city is well run, vote for one of my opponents, who have been in charge here the last 20 years. If you believe now, like never before merits change, I ask for your vote.

**Occupation:** Co-Chair Portland Tenants United; Community Organizer

**Occupational Background:**

**Educational Background:**

**Prior Governmental Experience:** Commissioner, Portland Rental Services Commission

In a moment of historic crisis, we need courageous and empathetic leaders who will fight for the change we need. I am a single mother, Democratic Socialist, community organizer, a fierce and effective policy advocate, and a creative problem solver with a 15-year career teaching college mathematics.

We need systems that keep people from falling through the cracks.

I was born into the foster care system and raised by my grandmother. I became a mother at 19. Six months later, I experienced the destabilizing trauma of a no-cause eviction.

When Portland's housing crisis reached a fever pitch in 2015, I co-founded Portland Tenants United and was the architect of Portland’s historic Renter Relocation Assistance Ordinance in 2017, which effectively ended an epidemic of building wide evictions and price gouging for renters, and is now being replicated in cities across the U.S.

The Movement Candidate.

I have a proven track record of standing up to establishment special interests to get results.

I’m endorsed by Our Revolution, Bernie Sanders’ grassroots political organization, and have funded a strong campaign primarily through small donations from poor and working class Portlanders.

A Brighter Future.

Since the Coronavirus outbreak, I’ve led by successfully organizing to halt evictions across the state and leveraged my campaign to push for comprehensive relief from the economic fallout.

To help guide us through this crisis, I will be a powerful voice for economic recovery that prioritizes the people and planet over profit. I will fight for real rent control, a Green New Deal, universal childcare, taxing vacant apartments in order to house the houseless, and taxing the rich to fund parks, transportation and develop a robust social safety net.

**Dear Voter:** As a single parent working full time, I know the struggle of stretching a paycheck to pay bills and provide for my child. A supportive community and services can change your life, because they did for me—now 23 years sober. I hope to earn your vote. – Tera

**Tera Hurst:** Climate champion. Problem solver. Bold leader.

**Crisis Response:** COVID-19 has exposed major holes in our safety net. Tera’s plan will ensure we’re building back stronger, helping workers get jobs, and helping small businesses open again. See the plan: TeraForPDX.com

**Housing and Affordability:** Thousands of people live on our streets and even more are getting pushed out of the city. This is unacceptable. Tera will:

- Extend moratorium on evictions and foreclosures  
- Invest in more affordable and supportive housing units  
- Expand rent vouchers for families and seniors helping them keep their homes

“Tera is focused on a more equitable and secure future for those who need it most.” — Oregon House Speaker, Tina Kotek

**Climate Crisis:** Tera led Oregon’s most sweeping climate action yet. Now, Portland needs a Green New Deal – creating thousands of jobs that protect us better from global warming. “Tera is a hero in our movement to tackle climate change. She is exactly the leader we need in City Hall.” — Doug Moore, Executive Director, Oregon League of Conservation Voters

**Occupation:** Retired

**Occupational Background:** Customer Relationship Manager; National Account Rep (Yellow Pages); supply center management

**Educational Background:** Madison HS Portland; PCC

**Prior Governmental Experience:** Neighborhood Board Member; 82nd Avenue CAC 2017; Banfield Transitway CAC (Chair) 1970s

**REPRESENTATION:** Self-sufficient working class families with modest incomes and senior citizens on fixed incomes are having more and more of those incomes reduced with new and increased taxes. Their voices need to be heard at City Hall.

**TRANSPORTATION:** The city needs to stop removing and narrowing full service travel lanes on major streets thereby increasing congestion, fuel consumption and emissions. To make transit work better, entire streets need to flow better. Enhanced street lighting and crosswalks must be a safety priority. PBOT advisory committees must become inclusive of taxpaying motorist representation.

**RESIDENTIAL INFILL (RIP):** Per HB2001 and the Portland Comprehensive Plan, higher densities are allowed in town centers and along corridors. Duplexes, triplexes and quadplexes are allowed in single family home neighborhoods. Increasing density will target demolishing the most affordable homes. New construction almost always costs more. The greenest buildings are the ones already built. Pilot projects to identify affordability and impacts need to take place in neighborhoods that want more density. Higher densities citywide should be reconsidered. Adequate off-street parking with charging connectivity for electric cars needs to be required with all new residential developments so streets don’t become fulltime car storage lots.

**CIVIC ENGAGEMENT:** Portland’s world renowned framework of Neighborhood Associations needs to be strengthened and expanded as per the 2016 Auditor’s Report. This includes giving formal recognition to community and identity groups that abide by the same standards of non-discriminatory practices, accessible open meetings and maintaining transparent minutes. The Civic Life budget needs to be increased to cover the expansion.

**HOMELESSNESS:** Provide a hand up towards self-sufficiency instead of everlasting handouts, utilize existing infrastructure such as Wapato for programs that can demonstrate results, and compassionate enforcement so Portland’s notoriety is not that of tents and trash.

With New Leadership, We Can Change City Hall

“Julia’s policy expertise and her collaborative approach are key reasons why she has my endorsement.” - Jo Ann Hardesty, Portland City Commissioner

“Considering the public health crisis we’re facing, it’s more important than ever that we elect leaders like Julia, who have a proven commitment to working with impacted communities to solve problems; rethinking systems that perpetuate inequality; and taking action to support our public schools, workers, and public services.” - Suzanne Cohen, President, Portland Association of Teachers

Throughout my career, I’ve brought together diverse coalitions to create progressive change—including the victorious fight to stop Nestlé from bottling our public water!

My Bold, Community-Focused Vision:

• Permanently affordable housing for low income residents and seniors on fixed incomes

• Supportive housing for chronically houseless people struggling with mental health or addiction

• More equitable distribution of transportation dollars

• Increase investments in community centers so everyone can rely on vital services, like affordable childcare

• Rebuild trust between police and residents and improve police accountability

• Affordable municipal broadband internet for all

• No corporate campaign cash

• Support a strong, unionized, local workforce

Democratize City Council

Creating geographic City Council districts means we’d elect people who represent every part of our city—allowing elected officials to prioritize legislation and constituency services that benefit Portlanders, rather than the day-to-day management of bureaus. I will support a community-led process to address this systemic lack of representation.

Occupation: Analyst

Occupational Background: Senior Policy Advisor (Commissioner Amanda Fritz); Director (Charles Jordan Community Center); Teen Services Program (PP&R); Cross Country and Track Coach, (OSU)

Educational Background: Oregon State University, MA Public Health; Arizona State University, BA Anthropology, Minor Spanish, Summa Cum Laude

Prior Governmental Experience: See Occupational Background; and Community Health Researcher (U.S. Dept. of Health and Human Services’ Office on Women’s Health Region X)

As City Commissioner, Cynthia will bring a reputation as a steadfast leader who works alongside the community to get things done.

Resiliency: The COVID-19 pandemic highlighted the importance of stable housing, health care and other safety nets. Cynthia supports increasing the supply of affordable housing and permanent and supportive housing, policies and programs to keep people housed, Universal Basic Income, and greater support for small businesses and creative communities.

Livability: No matter where you live in Portland, Cynthia knows you deserve equitable service from your local government, including sidewalks, parks, clean air, and clean water.

Sustainable Portland Parks & Recreation: As a champion of Portland’s parks, Cynthia will build on Commissioner Nick Fish’s work to secure a long-term sustainable funding model for Portland Parks & Recreation.

Government Access: Our commission form of government and City systems perpetuate racial inequities. Cynthia will ensure diverse representation on the Charter Review Commission and build greater trust with communities by co-creating policies and programs that meet their unique needs.

Cynthia is what Portland needs as we overcome the COVID-19 pandemic.

“With her capacious heart and extremely smart ways, Cynthia was able to gain the trust of little kids, elders, and everyone in between. She exemplifies determination and grit. Service to others is not just a motto for her, she lives it, means it, and breathes it. She would be an incredible addition to Portland City Council.” — Kay Reid, Director, Lived Citizenship Program

“Seth Woolley is a whip-smart government wonk.” — Willamette Week, 10/16/2012

Seth's approach to government is similar to his professional life: **dig deep into data and records**, look for significant problems, and propose and implement **data-driven, popular solutions**.

Before Seth's public record work at Portland Clean Air, there was no **systematic or online mapped analysis** of polluters across the Portland metro region. Neighbors only learned of air pollution discharges based on what they could smell, reports of failed reverse-911 phone calls, or bouts of investigative journalism.

The **root cause** of not regulating air quality with concern for public health was Oregon's system of **unlimited political bribery** in the form of **big money campaign donations**. Before Seth's analysis for Honest Elections, work to get campaign finance reform on the ballot, and **active enforcement** with official complaints and court filings, Portland’s political campaigns were heavily funded by **big money donors** and **special interests** with matters before council.

Political staffers are often campaign workers reaping patronage instead of competent administrators. Portland's ethics rules remain **weak and ineffective**. Seth will appoint **good government reformers** to the Portland Charter Commission to help **deeply fix public corruption** and to reform our **antiquated commissioner form of government**.

Occupational Background: Supervisor, TITAN Freight Systems
Educational Background: University of Portland, MBA; Oregon State, BS; Portland Community College; Roosevelt High School

Prior Governmental Experience: Vision Zero Expert
Community Engagement: Transition Projects Rent Well Houseless Program Mentor; Youth Basketball Coach

In difficult times we need proven, committed, caring leaders, with vision and a record of success creating and sustaining large complex systems. That is who I am, and I’d be honored to earn your vote.

Let’s reTHINK Portland.

Keith’s Top Priorities Include

HOUSING FOR ALL AGES AND STAGES
• Build Smaller and Faster: Deeply affordable micro units for those with limited means or who are downsizing.
• Lower Fees for Affordable Housing Builders
• Partner with Neighborhoods: Create Local Housing Plans

HOMELESSNESS
• Stop Normalizing Street Camping: It’s inhumane and unsafe. We must provide shelter with consolidated on-site services.
• Decriminalize Homelessness: 52% of all arrests in Portland are of homeless people. Establish a Homeless Court Program that channels people into programs not jails.

PUBLIC SAFETY & CRIMINAL JUSTICE REFORM
• Housing not Handcuffs: Employment, job training, and transitional housing for those coming out of incarceration.
• Hate Speech Is Not Free Speech: Zero tolerance for violence masquerading as protest.

BOLD CLIMATE ACTION NOW
• Clean Fuels Now: My company uses Renewable Diesel reducing our carbon and dangerous emissions up to 60%. If we can, Portland can.
• Carbon Neutral by 2030: Convert all City of Portland vehicles to electric and carbon free fuels by 2030.

FOSTERING COMMUNITY BY BUILDING NEIGHBORHOODS
• Give More Support, Not Less: Neighborhoods are part of the fabric of Portland. They need more support not less, especially underserved and under-resourced neighborhoods.

In 2016, Chloe Eudaly was motivated to run for City Council by our affordable housing crisis, and in her first term she has delivered results:

–HOUSING–
(more: www.VoteChloe.com/housing)
• Passed The Mandatory Rental Relocation Ordinance in the first 30 days of her first term to stabilize tenants during our housing emergency.
• Passed The Fair Access in Renting Ordinance to lower barriers to housing and reduce discrimination.
• Advocated for implementation of the current eviction moratorium during the COVID-19 crisis to keep Portlanders housed through the pandemic.

–CLIMATE ACTION–
(more: www.VoteChloe.com/climate)
• Championed the Portland Clean Energy Fund.
• Co-created the strongest 100% Renewables Resolution in the country.
• Developed the Rose Lane Project to make public transit faster, more frequent, and full.
• Publicly OPPOSED the dirty Zenith Energy terminal in NW Portland.

–EQUITY & ACCESS–
(more: www.VoteChloe.com/equity)
• Successfully fought for Universal Representation to provide Portlanders facing deportation proceedings with legal representation.
• Increased access to City Hall. Equity begins with access. Chloe welcomed thousands of Portlanders to City Hall for the first time through numerous arts and culture events.

A vision for Portland’s future.
A track record of delivering it.

COVID-19 has harmed people we care about, frayed our social connections, damaged our health and financial security.

That’s why Portland needs a leader with a proven track record of getting tough stuff done during tough times. Someone tested. Someone who works relentlessly. Someone who delivers results.

That’s what Sam Adams offers. It’s never been more important.

**Leadership when it counts**

“Floods, snowstorms, riots, recessions… Sam has helped guide Portland through it all, as a strong and steady leader. We need that City Council experience now.” — Sheriff Mike Reese

“…even his toughest critics acknowledged by the end of his term that he had been an accomplished mayor.” — Willamette Week, 7/24/19

**Sustainable, equitable recovery centered on jobs, workers, small businesses**

“Sam was Portland’s Mayor during the Great Recession. He fast-tracked construction projects, supported small businesses, got people back to work. We can count on him to do it again.” — Fay Burch, John Mohlis, Joe Esmonde, Fred Sanchez - labor and business leaders

**Support for vulnerable communities**

“Sam made investments to help people stay in their homes. He provided more assistance to the unemployed and shelter for the houseless. Now he has a plan to help Portlanders again.” — Doreen Binder and Steve Rudman – affordable housing advocates

**Fighting for all Portland families**

“No one in this race has done more to support public schools. We trust Sam’s unbreakable commitment to help reopen schools and put our students and families first.” — Gwenn Sullivan, Ann Nice, Rebecca Levison — Teachers’ union past presidents

I’m running for Metro Council because of my successful track record as a community activist fighting for housing affordability and tackling the imminent threat of climate change. I’ll guide Metro to ensure the dollars entrusted to us by the voters for housing and related services are spent effectively and efficiently.

We can address the 40% of greenhouse gas emissions from transportation in our region. We’ll deploy significantly more and more frequent transit service, build missing sidewalks, create safe bikeways, make telecommuting a realistic option for many and reduce reliance on drive-alone auto trips.

Decades of Climate, Housing and Transportation leadership

- Fought off a propane terminal on the Columbia
- Preserved 600 acres of habitat on West Hayden Island
- Leading opposition to $800 million Rose Quarter freeway expansion
- Rewrote Portland’s land use, transportation and housing policies
- Extended Streetcar across the Willamette
- Championed campaign finance reform
- Leading “Vision Zero” transportation safety

“The Metro Council is a unique agency, the only one of its kind in the nation, and Chris is uniquely qualified as a leader on the planning and environmental issues that are at the heart of its mission. Voters have this one chance to elect a transportation expert who is rooted in the community.”

**Former Metro President David Bragdon**

As youth climate justice leaders, we endorse Chris for Metro because of his relentless successful advocacy to stop fossil infrastructure, decarbonize our region's transportation system & center climate justice values.

Our region has grown tremendously and will continue to grow steadily. We have the opportunity now to preserve the best of our region, while building a prosperous, sustainable, and equitable future for all. And it’s going to take the strategic, long-range planning skills I have to achieve this vision.

With your vote, I will:

- Fight for increased affordable housing to reduce homelessness and ensure people can live in the same community they work. We must stop pushing people out, and we need thousands of affordable homes to fix this problem.
- Work for accessible, efficient and clean transportation options so we can spend more time with family and friends, and less time sitting in traffic. This means improved transit reliability, with electric bus investments, youth passes, and safer pathways that connect communities and address underserved populations.
- Demand environmental stewardship to preserve our clean air and water, forests, parks and open spaces for generations to come. I’ll continue my work in expanding access for all people to enjoy our parks and trails, waterways and quiet places. I’ve worked with Metro to address equity and access in our region, and will build upon this commitment to our people, climate, and communities.

**Dear Portland Neighbor,**

A reactionary US president and an obstructionist minority in Oregon’s legislature are blocking our federal and state governments from protecting our people and our environment. Over these four difficult years, I’ve helped Metro step up to fill that gap and protect our community’s quality of life.

You’ve responded overwhelmingly by voting to protect our regional parks, trails and natural areas, and to build 3900 permanently affordable homes for 12,000 of our neighbors threatened with homelessness or already experiencing it.

Many of you are already working with me and the Metro team on a transportation strategy to get us around quicker, more safely and equitably, with less pollution and climate impact.

Now I’m asking you to approve Metro’s homeless services measure. It will scale up existing programs that are already working, so we can help more people get indoors and into supportive housing, with the services they need to stay housed. It will be funded by a 1% tax on upper-income households and large businesses.

Let’s keep working **Here Together** on real solutions for the challenges we face.

I ask you to re-elect me as your Metro councilor.

Thanks,

Bob

**Let’s talk trash!**

Why run for Metro Council? I want to transform the way we manage our garbage. Metro is the government entity that manages this regionally. Instead of adding more waste to landfills, I want Metro to use a waste-to-energy system to convert nearly all of our excess carbon based trash (including plastics) into fuel using a carbon neutral (potentially carbon negative) process. This fundamentally improves waste disposal, and creates both cost savings and additional revenue.

**Progressive values**

Integrity is key! I walk my talk. I’m excited to be a driving force on Metro Council to improve people’s lives through more affordable housing practices, lowering carbon infrastructure, and enriching Metro workplaces.

**Policy priorities**

- Modernize our solid waste management infrastructure
- Create programs to divert useful items from the solid waste stream
- Explore innovative ways to address our houseless and housing affordability crisis
- Prioritize carbon neutral transportation infrastructure
- Consistently balance solutions through a social justice and equity lens
- Promote anti-displacement when upgrading current infrastructure
- Facilitate Metro employee satisfaction
- Refuse money from fossil fuel interests or corporate PACs

Measure 26-209

Reflected to the People by the City Council

BALLOT TITLE

Renew Motor Vehicle Fuel Tax for Street Repair, Maintenance, Safety

Question: Shall Portland renew four-year, 10 cents per gallon fuel tax for maintenance (paving, pothole) and safety (crossings, lighting, sidewalks)?

Summary: Portland’s 10 cents per gallon fuel tax was approved by voters in 2016. If renewed at the same tax rate, this measure is estimated to raise $74.5 million over four years, beginning January 2021.

The funding would continue to be dedicated to street repair, maintenance and safety projects, including paving, pothole repair, sidewalk and safety improvements. Specific proposed investments include:

Street Repair and Maintenance
• $25 million for paving, focused on busy and neighborhood streets

Safety
• $6 million for Safe Routes to School projects to improve safety for elementary students
• $4.5 million to expand Neighborhood Greenways and connect schools, parks, transit, and neighborhood businesses
• $5 million for traffic signals and crossing beacons
• $4.5 million for street lighting on High Crash Network
• $4.5 million for sidewalks and other walkways
• $1.5 million for small-scale neighborhood safety improvements

Community-Identified Transportation Needs
• $13 million for potholes, gravel streets, and pavement base repair
• $10.5 million for basic safety improvements

Expenditures go through independent financial audits and are reviewed by a public oversight committee that reports annually. Establishes license requirements.

EXPLANATORY STATEMENT

In 2016, Portland voters approved a 10 cents per gallon fuel tax to fund street repair, maintenance, and safety improvements. Portland City Council also approved a companion heavy vehicle use tax.

Voter approval of this program followed independent research by City Club of Portland into options to fund local street maintenance and safety improvements. The report identified a local gas tax as a needed new funding source for transportation investments.

Over the past four years, the fuel tax has raised $76 million dedicated to the Fixing Our Streets program, which repaved 38 lane miles of city streets, repaired over 400 sections of failing road, built sidewalks in East Portland, and 170 additional safety improvements across Portland. For a full list and map of completed projects, visit www.fixingourstreets.com.

If renewed by voters at the same tax rate, the 10-cent fuel tax is estimated to raise $74.5 million over four years beginning January 2021.

Renewing the fuel tax will allow the Fixing Our Streets program to continue keeping Portland streets in good condition for current and future users, with project selection guided by existing plans and public input from neighborhood stakeholders, transportation justice advocates, and business groups.

For a full list of proposed projects, visit www.fixingourstreets.com/2020.

STREET REPAIR AND MAINTENANCE

If renewed, Fixing Our Streets funds would continue to fund repair and maintenance projects that prevent expensive full replacement of worn-out streets. Proposed projects include $25 million dedicated to paving, with a focus on busy and neighborhood street repair and maintenance projects that are less expensive to fix now. An additional $13 million would fund pothole, gravel street, and pavement base repair services identified as community priorities.

SAFETY

If renewed, Fixing Our Streets funds would continue to be invested in safety projects for people driving, biking, and walking in neighborhoods across Portland, including creating safer intersections, reducing vehicle speeds on cut-through routes, retrofitting our existing Neighborhood Greenways, and making additional safety enhancements to existing projects.

Proposed projects and services for targeted investment include $5 million for traffic signals and crossing beacons, $4.5 million for sidewalks, $4.5 million for street lighting, as well as better and safer access to schools, transit, and community services for Portland’s kids, seniors, and families. $6 million would fund Safe Routes to Schools projects, and $4.5 million would expand Neighborhood Greenways. An additional $10.5 million would fund basic safety repairs.

SAME TAX RATE

Because this is a proposed renewal, the 10 cent per gallon tax rate would remain the same as it is today. The average Portlander would continue to pay approximately $5 per month.

AUDITS AND INDEPENDENT OVERSIGHT

The Fixing Our Streets program will continue to go through annual independent financial audits. These audits will be shared with the oversight committee and the public. Spending from the program will be overseen by the Fixing Our Streets Oversight Committee representing the many communities with a stake in Portland’s streets and roads.

ARGUMENT IN FAVOR

SAME TAX RATE. BETTER STREETS.
This May, vote YES on Measure 26-209 to renew our local gas tax, and continue funding street repair, maintenance, and safety projects across Portland.

Because this is a renewal, the tax rate would remain the same as it is today.
Just a few dollars a month ensures our streets are safer and well maintained for people driving, walking, biking, and riding transit.

VOTE YES for Street Repair & Maintenance
Measure 26-209 saves money by funding repair and maintenance projects today and avoiding more expensive rebuilds of worn-out streets later:
- $25 million dedicated to paving
- $13 million to fund pothole, gravel street, and pavement repair

VOTE YES for Safety for Kids, Seniors, and Families
Measure 26-209 funds neighborhood safety projects to improve intersections, reduce vehicle speeds, expand neighborhood greenways, and make additional safety enhancements to existing projects:
- $4.5 million for sidewalks
- $5 million for traffic signals and crossing beacons
- $4.5 million for street lighting
- $6 million for Safe Routes to Schools
- $4.5 million to expand Neighborhood Greenways

VOTE YES for the Same Tax Rate
Because this is a proposed renewal, the 10-cent per gallon tax rate would remain the same as it is today. The average Portlander would continue to pay just a few dollars a month. And Portland City Council renewed the Heavy Vehicle Tax that ensures freight vehicles are paying their fair share.

VOTE YES for Audits & Independent Oversight
The program is overseen by the Fixing Our Streets Oversight Committee, and spending is audited annually.

VOTE YES on Measure 26-209
This is a renewal: Your tax rate will remain the same!

MEASURE 26-209 will improve our transportation system!
“We have an unsafe, inequitable, and unsustainable transportation system, with over $1 billion in deferred maintenance after decades of not saving for the future. Fix Our Streets has provided critical funding to improve and maintain our streets; this renewal will keep us on track for repairs and improvements. As Portland’s Transportation Commissioner, I want you to know that we’re working hard towards a system that works for everyone.”
-Portland City Commissioner Chloe Eudaly

In May 2016, Portland voters passed Fixing Our Streets. That same month, the Portland City Council created the heavy vehicle use tax. Together, these provided the first local funding sources in the city’s history dedicated exclusively to road repair and traffic safety.

Over the past four years, the fuel tax has raised $76 million dedicated to fixing our streets. The funds repaved 38 lane miles of city streets, repaired over 400 sections of failing road, built sidewalks in East Portland, and made 170 additional safety improvements across Portland.

Let’s Renew Our Commitment: Vote YES on Measure 26-209!
Our current transportation system still doesn’t work for everyone. Residents of East Portland in particular—including people of color and low-income Portlanders—have fewer options for moving around safely. We need to consider equity with every transportation project and provide greater access for everyone.

As your Transportation Commissioner, read more about what PBOT and I have done to fix our streets: www.VoteChloe.com/transportation

But we’re not done! A YES vote on Measure 26-209 helps us continue investments toward:
• Repairing deteriorating streets and preserving others, avoiding more expensive repairs later
• Achieving Vision Zero safety goals through improved and safer infrastructure
• Aligning our transportation equity goals with our housing goals so that we’re not pushing vulnerable populations away from the city center and reducing transportation options.

SMALL INVESTMENT, BIG RETURN
Business and Labor Leaders are voting YES on Measure 26-209
Better Roads — Good Jobs — Same Tax Rate

BETTER ROADS
Thanks to voters’ support in 2016, Portland invested $76 million to start catching up on a backlog of crumbling streets, dangerous potholes, and missing sidewalks. Now, voters have a chance to renew the local gas tax—maintaining the tax rate, and ensuring Portland continues this progress.

Business and labor leaders agree: This investment keeps our streets in good condition for current and future users, and keeps our local economy moving.

Renewing the gas tax helps Portland invest in lower cost maintenance projects now, avoiding larger bills to replace worn-out streets later. Every dollar spent on standard road maintenance can save approximately $10 by avoiding a complete rebuild of our roads in a few years.

As Portland looks ahead to recovery from the coronavirus crisis, the jobs funded by Measure 26-209’s continued investment are more important than ever—and the average Portlander pays just a few dollars a month. It’s a solid investment in our local economy.

“The streets of our city are the circulatory system of our economy: they are the essential routes that carry people to work and goods to market. It is imperative that we invest in the maintenance and improvement of that system in order to support the daily commerce and mobility that our member businesses depend on.” - Ashley Henry, Business for a Better Portland

S A M E T A X R A T E
Thanks to the renewal, the 10 cent per gallon tax rate would stay the same for another four years. Spending would continue to be audited annually.

Portland students should be able to safely walk and bike to their neighborhood school.

But too many children do not have a sidewalk, bike path, or safe crosswalk on their route to school.

That’s why we’re voting YES to renew the gas tax that fixes our streets and funds safety improvements so kids across Portland have a safe route to school.

The first four years of funding completed 53 Safe Routes to Schools projects across Portland, near 31 elementary schools, 8 middle schools, and 10 high schools. But there are hundreds more needed improvements, big and small, to keep our kids safe.

When kids can’t walk or bike to school, it increases neighborhood traffic, hurts air quality, and deprives students of the opportunity for healthy physical activity. This is unacceptable.

We must continue to fix dangerous intersections, improve street lighting, and extend sidewalks. These projects support our city’s students as they pursue a brighter future for themselves and their families.

Students are healthier and perform better academically when they have the opportunity to physically exercise in the morning—and they create habits of walking and biking throughout their life.

Voting YES on Fix Our Streets would provide desperately needed funding to ensure students have a safe route to school, with $6 million dedicated to Safe Routes to Schools projects, and millions more for sidewalks, traffic signals, and other neighborhood safety improvements.

This money will be spent on safety projects all over the city, including chosen with extensive community input—visit www.fixourstreetsportland.com to see a full list.

A YES Vote 26-209 is a vote for stronger community, schools, healthier children, and safer streets across the city.

Portlanders cherish our city’s commitment to livable, sustainable communities. That’s why public health and environmental advocates across the city have endorsed the Fix Our Streets Portland campaign. This is our opportunity to vote for a cleaner environment.

Carbon emissions from transportation use represents a significant threat to local air quality in Portland’s neighborhoods. A local tax on gasoline will encourage...
Measure 26-209

Portlanders to consider walking, biking and taking transit for their daily trips, and will raise revenue to ensure Portlanders can safely walk, bike, and take transit in every neighborhood.

“In many respects, Portland is a tale of two cities—one Portland enjoys a transportation system with robust connections and walkable neighborhoods and business districts. Another Portland endures unimproved roadways, puddle-saturated bus stops, and high crash crossings. Fix Our Streets is focused on building dedicated programs that bring Portland’s communities together.” - 1000 Friends of Oregon

Fix Our Streets taxes pollution to invest in infrastructure. The gas tax gives us an opportunity for cost-effective, green transportation options for every neighborhood—greenways, crosswalks, bike lanes, and bus lanes. This improves local air quality, supports walkable neighborhoods, and is an investment in a low-carbon transportation future.

For these reasons, prominent environmentalists have joined with public health advocates to endorse the campaign. Better air quality and accessibility to our green spaces are important components of a sustainable, healthy, equitable Portland.

Portland’s future depends on green transportation options to fight climate change. This gas tax provides much needed support for Portlanders to bike, walk and take public transit while building the necessary infrastructure to make it happen.

ARGUMENT IN FAVOR

Dear Neighbor,

My name is Sarah Iannarone and I am a resident of Mt. Scott-Arleta Neighborhood in Outer Southeast Portland, a part of town with numerous unpaved roads where too many of our children walk to schools, playgrounds, and transit stops on streets without sidewalks.

I’ve been fighting alongside you for basic services, safety improvements, and climate smart investments in our community for over fifteen years. We’ve made some progress, but we have much more work to do. Last year, I attended too many vigils for neighbors killed on our streets— this is heartbreaking and unacceptable.

That’s why I need you to join me in voting YES on Measure 26-209.

(Don’t worry, your taxes aren’t going to go up. This is a renewal of the few dollars a month you’re likely already paying, not a new tax.)

As we face a long economic recovery, we need to spend our precious tax dollars wisely: investing in lower-cost repair, maintenance, and safety projects today helps us avoid larger bills in the future while making our streets better and safer for people walking, biking, driving, and taking transit.

Please join me in seizing this important opportunity to create good jobs through smart investments while making Portland’s streets safer for our most vulnerable residents.

Here’s where your tax dollars are going:

• $175 million in tax $$$ wasted on a bridge never built

“Columbia River crossing managers spent more than $175 million in public funds planning a bridge, highway, and light rail complex that won’t be built...it burned money at prodigious rates.”— Oregonian 7/4/13

• Tax $$$ wasted REMOVING lanes instead of building lanes

Portland is spending millions of your tax $$$ on the “Central City in Motion” project, which will be removing perfectly good bus- and bike-only lanes.

Vote no on 26-209:

5 reasons the current 10-cent gas tax was full of broken promises and rampant misuse.

A 2019 Audit report shows gross mismanagement of Portland’s current gas tax.

1. Unknown how much the gas tax is going to what was promised

“It was difficult to determine if the Bureau maintained the spending split it promised.” (2019 City Auditor report, page 10)

2. Most projects ran behind schedule with cost delays

“…most were behind schedules that the Bureau set after the
Measure 26-209

tax passed."
(2019 City Auditor report, page 3)

3. Inability to properly monitor how gas tax funds were spent

"...we found that the committee could not effectively fulfill its monitoring role..."
(5/19 City Auditor report, page 7)

4. Current 10-cent gas tax promised to increase safety.
Ironically, safety decreased.
Portland traffic deaths in 2019 are the highest since the year 1997. (Oregonian 12/20/19)

5. Portlanders pay 20% more for gasoline than the U.S average.
We are not getting what we pay for. Our high gas prices cut into our cost of living and quality of life.
Vote no on 26-209 until Portland can fix the blatant mistakes of its first 10-cent gas-tax increase.
Don’t reward failure. Don’t perpetuate a flawed system. Don’t double down on mistakes and broken promises.

Supports homeless services through higher earners’ tax, business profits tax.

**Question:** Should Metro support homeless services, tax income over $200,000/$125,000 (joint/single), and business profits tax.

**Summary:** Measure funds supportive housing services to prevent and reduce homelessness in Washington, Clackamas, and Multnomah counties within district boundaries. Prioritizes services to address needs of people experiencing, or at risk of, long-term or frequent episodes of homelessness. Services funded by a marginal income tax of 1% on households with income over $200,000 (over $125,000 for single filers) and a business profits tax of 1%. Income tax applies to resident income, and to non-resident income earned from sources within district. Exempts businesses with gross receipts of $5 million per year or less.

Declares funding for homelessness services a matter of metropolitan concern, directs regional funding to local services agencies, requires community engagement to develop localized implementation plans. Allocates funds to counties by estimated revenue collected within each county. Establishes community oversight committee to evaluate and approve local plans, monitor program outcomes and uses of funds. Requires creation of tri-county homeless services coordination plan.

Requires performance reviews and independent financial audits. Metro administrative and oversight costs limited to 5%. Requires voter approval to continue tax after 2030.

**EXPLANATORY STATEMENT**

The greater Portland region is facing a severe housing affordability and homelessness crisis. Rents and housing prices have risen faster than wages, making it especially hard for people living on fixed retirement or disability incomes to afford housing. While it is difficult to accurately estimate the number of people experiencing homelessness, or at risk of becoming homeless, according to a February 2020 report by EcoNorthwest, an estimated 38,263 people (24,260 households) experienced homelessness in 2017 in Washington, Clackamas and Multnomah counties; thousands more were at risk.

Homelessness disproportionately impacts people with disabilities, people of color, and seniors. For people who experience homelessness, disabling conditions such as mental illness, chronic medical conditions, and addiction are made worse, and become barriers to housing placement.

Providing supportive housing services is a widely demonstrated approach to effectively end homelessness for individuals who have experienced prolonged and repeated homelessness, and protecting families from becoming homeless with prevention assistance. Supportive housing services include case management, mental healthcare, addiction and recovery treatment, employment services, rent assistance, and other care as needed. Despite state and local efforts to increase investment in supportive housing services, the need in greater Portland exceeds local capacity.

This measure will authorize Metro to establish a regional supportive housing funding program, providing the resources to address unmet needs of people experiencing or at risk of experiencing long-term or frequent episodes of homelessness in the greater Portland region. The measure will result in a substantial increase in the delivery of supportive housing services.

Supportive housing services will be funded by a marginal personal income tax of 1% on households with taxable income over $200,000 (or taxable income over $125,000 for individual tax filers) and a business profits tax of 1% with an exemption for small businesses that have gross receipts of $5 million or less per year. The personal income tax will be assessed on residents of the Metro district, and on non-residents who have income earned from sources within the district. Only income above $200,000 ($125,000 individual) is taxed.

In each county a local implementation plan will be developed to describe how supportive housing services will be prioritized and delivered to address local needs. Local plans must be developed using comprehensive community engagement that prioritizes those most directly affected by the homelessness crisis.

A regional oversight committee with broad geographic representation will review and evaluate each local plan, monitor local implementation, and review spending. The oversight committee will report every year to Metro Council on program outcomes and areas for improvement, and annual performance and financial audits of funding for supportive housing services will be conducted. Metro administrative costs are limited to 5% and must be reviewed annually. The measure requires voter approval to continue after 2030.

HOMELESS SERVICE PROVIDERS URGE EVERYONE TO VOTE YES ON MEASURE 26-210

Imagine having to tell someone there is no warm bed for them to sleep in that night. That it will be at least two years before their family can move into a safe home. That there is no laundry detergent, even though the shelter has a washer. That there is no toilet paper to be used, even though the shelter has a bathroom. That the hot meals provided that day are all gone. That your case is number 100 or higher on a case manager’s desk.

We, as service providers, have these conversations with our clients every single day. In the tri-county area, we serve thousands of people experiencing homelessness each month, and we do not have the resources to help the thousands more in need.

As human beings, we cannot accept this state of affairs. As a community, we must do better.

We KNOW what solves people’s homelessness. Housing first, and then the flexible supportive services necessary to meet the needs of each individual experiencing homelessness.

Some people may need mental and physical healthcare; some may need addiction treatment services. Some people may need job training; others may need help claiming benefits for a steady income.

We MUST have the resources needed to scale up our efforts to provide the supportive services necessary to ensure those without homes are sheltered.

We urge you to vote. It will provide the much-needed supportive services for people of color, seniors, youth, women escaping domestic violence, LGBTQIA+ community members, and veterans, among others, experiencing or at risk of experiencing chronic and episodic homelessness across the Metro region.

“People on the street age 20 years faster than their housed counterparts. We can, and must, do better to support the health and well-being of everyone in our community.” - Dr. Rachel Solotaroff, President and CEO, Central City Concern

VOTING YES ON MEASURE 26-210 FOR SUPPORTIVE HOMELESS SERVICES WILL HELP PEOPLE LIKE ME

I became homeless because my partner shot me.

The services we need funded right now are vital. I know because they saved my life.

I was born and raised in Portland. Growing up here, I never imagined that I would see so many people living in tents in our neighborhoods, or that I myself would face homelessness due to domestic violence.

No one teaches you to prepare for homelessness. And I promise no one chooses it over better alternatives.

I can say with experience that facing housing insecurity is as traumatic as getting shot in the chest by someone you love and trust. When I was shot, my support network was lacking due to the trauma of domestic violence. So not only was I recovering from a gunshot wound, but I was also dealing with the shame that I could not house myself in the city where the African American side of my family had managed to be homeowners for 4 generations. Together, this created my recipe for disaster.

The organizations providing the services needed for those dealing with housing insecurity are broke, but it is not a broken system. We need the funding to support the services we know work in combating our homeless disaster. People not experiencing housing insecurity call it a crisis. Those that have lived experience know it’s a disaster. It is time for us as a community to help our vulnerable neighbors rebuild their lives.

It took four years to rebuild my life, thanks to the supportive services available. I am now a certified Peer Specialist, having volunteered nearly 500 hours in the shelter I once lived in. Please VOTE YES on Measure 26-210 to continue funding the lifesaving work of the organizations that helped prevent ME from living on the streets of Portland.

Measure 26-210

ARGUMENT IN FAVOR

Homelessness is solvable. We know what to do. We just need your help.

There’s no greater prescription for the health of the individual and our community than having safe and secure housing. As healthcare providers, we understand that everything we do to try to secure or repair health challenges is dependent on having a stable home. Nowhere has this become more clear than in the coronavirus challenge. There are many in our community who are left with literally no place to shelter safely. People with disabilities and existing medical conditions are disproportionately represented among them; people without severe medical conditions who experience homelessness soon develop them.

Measure 26-210 will ensure increased access and critical services needed for people currently experiencing homelessness, and will help prevent people with existing medical concerns — such as veterans, seniors, and people with disabilities — from experiencing homelessness due to their age and condition.

“Too many people are forced to choose between rent, groceries, or medicine. And the truth is, these needs are all inter-related. Once someone is safely housed, they are more likely able to put food in their bodies several times a day, get restful sleep, and take medications correctly. Shelter, food, and water are foundational basic needs.” — Imelda Dacones, MD, President and CEO Northwest Permanente, on behalf of Kaiser Permanente Northwest

“We believe the recovery process begins with a safe, affordable, and healthy place to live. With this foundation, individuals can focus on their health, connect with families and friends, and move forward in shaping a productive and meaningful life.” — Dr. Derald Walker, President & CEO, Cascadia Behavioral Healthcare

Building a Stronger Community

The affordable housing crisis in the Portland metro region is pushing low-income families to the financial brink. Sometimes the only option is unsafe or over-crowded housing conditions that put everyone at risk of eviction; they even end up homeless. Every night in our community, thousands of people are sleeping on the streets; thousands more are in shelters or their cars. While we do our best to provide affordable housing opportunities for people to stay safely housed and to transition back into housing, every day more and more people experience homelessness for the first time.

Our community did the right thing by passing affordable housing construction bonds. We need to do the right thing again. Measure 26-210 will allow us to maximize the success of low-income housing dollars and help more families get the supportive services they need to transition from the trauma and instability of being unhoused to the stable life of having a place to call home.

We are committed to engaging underrepresented communities and building strong community partnerships that promote equitable public policies. Measure 26-210 does both of these things to provide essential supportive services for people to successfully stay in their homes.

Please join us in voting YES by May 19 on Measure 26-210.

OREGON EDUCATORS AND TEACHERS ARE VOTING YES ON MEASURE 26-210

Oregon has the highest number of children experiencing homelessness in the nation.

The untold secret of Oregon’s homeless children is that they’re the least likely to be seen on the streets. Their families are living in shelters, in vehicles, or doubled-up with others; still in locations where parents do not control the roof over the heads of their children; still in insecure and unsafe environments.

Across the metro region, over 7,000 students experience homelessness every school year. Portland Public Schools and the Beaverton School District have the greatest number of homeless students, more than 1,500 in each district, one in ten students in the Reynolds district has experienced homelessness.

Many of our students come to school worried about where their family will sleep that night. Children are especially vulnerable to lifelong impacts of housing instability.

It is crucial that families and children experiencing homelessness receive the services and supports they need to stay housed and transition from homelessness to housing as soon as possible.

We must support our community’s most vulnerable members - our future leaders - so that the strain of simply surviving is no longer at the forefront of their mind. Instead, children are allowed to be children, to be students, and to focus on simply growing up to be their best selves.

Vote YES for supportive homeless services. Vote YES on Measure 26-210.

METRO REGION FAITH LEADERS SAY VOTE YES ON MEASURE 26-210 TO HELP OUR MOST VULNERABLE COMMUNITY MEMBERS

As leaders in our faith communities, we follow our religious teachings of kindness, compassion, and loving our neighbors as ourselves. Some of our neighbors need specific supports, like food, clothing, and shelter, which we provide through food pantries, homeless shelters, and clothing drives. Unfortunately, the number of our neighbors in need of help too often exceeds our capacity for doing so.

Over 5,000 people are sleeping on our streets every night. Up to 30,000 people are sleeping on the streets, in cars, or doubled-up in places not meant for sleeping. And 56,000 households are one missed paycheck away from slipping into homelessness too, many of them for the very first time.

Now more than ever, the coronavirus highlights the need and opportunity for us to live our values. It is not for us to understand why everything happens, but it is important to understand that how we respond says everything about who we are and the strength of our faith and community.

There is something we all can do to make sure that so many people are not again placed in such a precarious and

We must ensure that hard-working people can meet their basic necessities, both while housed and should they be experiencing homelessness. Vote YES on Measure 26-210 If you are gainfully employed, you should never have to choose between paying rent, buying food, and accessing medical care, and yet for far too long, the hardworking families of the Portland metro area have been forced to do just that. Our unions represent more than 60,000 members across the metro area who work in both the public and private sector. Our members provide the essential services that make our communities work. We are teachers, nurses, janitors, bus drivers, social workers, retail clerks, public servants, and other people in service industries. As more and more families pay more than half of their income to rent, bills pile up, stomachs are hungry, vehicle problems can't be fixed, school supplies go unpurchased - families slip into homelessness. We must have more supportive services to keep this situation from occurring, and if it does, to ensure that families stay together and have the resources they need to get back on their feet as soon as possible. This measure will provide:

• More case managers for individual service to help people navigate the systems of services efficiently and for maximum assistance
• Increased mental, physical, and addiction health services for individuals and families in need of such care
• Programs such as job training, rent assistance, and other prevention and transitional services that help people stay stably housed and improve their economic situation

Our Region's Health Care Providers Support Measure 26-210

As leading nonprofit health care providers in the Portland metro region, we know that housing is health. Without a safe, stable place to call home, it's nearly impossible for our patients to focus on basic health and medical needs, and for our doctors and nurses to keep them healthy.

Patients who are homeless have a higher rate of hospital admissions and emergency room visits, while also suffering from poorer health outcomes and higher mortality rates. This disparity is even more devastating during the COVID-19 public health crisis we are confronting.

While some of us are business competitors, we are all in the business of keeping people healthy. That's why we support Measure 26-210 - we are all in this together, to serve people experiencing homelessness in our community.

In Oregon and across America, we and other health care organizations are investing in housing development, supportive services, safety-net clinics, community health workers, and much more.

Here in the metro region, we are working collaboratively with government and nonprofit partners to address a key driver of health - housing instability and homelessness - to improve the health and well-being of the communities we serve. As major health care systems, we won't back down from our commitment to helping house and care for vulnerable people in our community. But with thousands of families and individuals experiencing or at risk of homelessness across the region, we know our efforts cannot meet the entire need. We urge a Yes vote on Measure 26-210 so that together, our region can make a historic investment in the health and well-being of the entire community.

Statement of Support for Metro’s Supportive Housing Services Ballot Measure

It is essential to vote YES on Measure 26-210 to address the Portland metro area’s homelessness crisis with concrete solutions.

As professionals with medical and administrative law experience, we have spent three years independently studying the homelessness situation in the Portland metro area and statewide. We recently published a report with our 22 recommendations as a result of our study, for what can be done to address the homelessness crisis, all of which can be found at homelessnessoregon.com.

One of the key recommendations in our report is for voters to approve Measure 26-210. This measure would raise about $250 million a year for ten years, to be divided among the three counties, to increase supportive services that are essential for addressing the Portland metro area’s homelessness problem.

We support Measure 26-210. All of our independent research suggests that voting YES on Measure 26-210 by May 19 is the most effective way we can all come together to fund the solutions necessary for solving people’s homelessness in our community as soon as possible.

A YES vote on Measure 26-210 will provide housing stability to thousands of vulnerable community members.

Portland Voters:  
MEASURE 26-210 and COMMISSIONER CHLOE EUDALY:  
For safe, stable, and affordable housing!

"Housing is a basic need and a human right, but due to unaffordability, it's out of reach for thousands of people across our region. Supply is only part of the equation. We must stabilize people in their existing homes and provide necessary supports to ensure they stay housed, in addition to increasing the affordable housing supply."

-Commissioner Chloe Eudaly

Measure 26-210 is a critical step toward ensuring vulnerable community members get housed and stay housed. Across the Metro region, over 5,000 people are sleeping outside or in shelters every night. Several thousand more, sleep in their cars or doubled up with friends and family. Oregon ranks #1 in the nation for unsheltered families with children. This is unacceptable. We can do better.

Our current housing crisis began in 2010. It's not just a Portland problem, it's an Oregon problem, and a national crisis. We must stem the tide of homelessness and human suffering across the Metro region.

Commissioner Eudaly has worked diligently on housing issues since her election:

Ecumenical Ministries of Oregon Urges YES Vote
We need to address Oregon’s worst-in-the-nation rate of children and youth homelessness.

Far too often in our region, if a student experiencing homelessness asks her school’s homelessness liaison for help, she will not receive a housing voucher, and she will not receive a bed at a shelter. Because of a lack of federal, state and local investment in housing supports, school staff will hand the student and her family one of these - a tent.

Nationally, at the state level and regionally, we have failed our children and youth. Last school year, in the
- Beaverton School District, over 1,900 students experienced homelessness;
- In Portland Public Schools, that number was over 1,200 students;
- In Reynolds School District, nearly 900 students experienced homelessness.
- In fact, every school district in our region has similarly tragic numbers of houseless students.

A survey conducted by the U.S. Conference of Mayors stated that “the most frequently cited reasons for family homelessness are a lack of affordable housing, poverty, and domestic violence.”

The National Center on Family Homelessness reports that: “Children without stable homes are more than twice as likely as others to repeat a school grade, be expelled or suspended, or drop out of high school. A quarter or more of homeless children have witnessed violence.”

Nationally:
- Latinx youth have a 33% higher risk of reporting homelessness.
- African American youth have an 83% higher risk of reporting homelessness.
- LBGTQIA+ youth have a 120% higher risk of reporting homelessness.

These inequities and terrible figures reflect the reality of far too many of our neighbors in this region.

In embrace of our responsibility for one another, EMO urges a YES vote on Metro Measure 26-210.

ARGUMENT IN OPPOSITION

6 ways Oregon is attracting homeless from across America and overwhelming our local shelters.

Nearly 1 of 3 Portland homeless come from other states

In 2019 most states saw a decline in homelessness, but Oregon’s numbers soared. Why? Because homeless populations left others states to come to Oregon to take advantage of our unique benefits.

1. The word is out. “People are coming here because we make it comfortable to be homeless” as quoted by a Portland homeless advocate in the national City Journal Magazine. (Winter 2016)

2. Multnomah County wasted tax dollars putting homeless people in expensive hotels ($3,318 a month) before it had to cancel the program because it became too popular. (OPB 3-13-18)

3. Oregon allowed food stamp use for 5 years—that’s 3 years longer than other states. The Atlantic called Oregon a “Welfare Utopia”. (5/31/16)

4. Multnomah County’s risky “no-refuse” shelter guarantee attracted too many out-of-area takers, which overwhelmed the system and led to it being cancelled. (OPB 3-13-18)

5. Portland’s “sleep anywhere” policy allowed widespread trespass-camping on private property. This led to the Springwater Corridor campsite, at 500 campers, was the nation’s LARGEST homeless camp. (Heritage Foundation 10/18/19)

No amount of taxes will fix the problem as long as our backward policies continue to attract homeless from other states.

Stop measure 26-210. It’ll only fund homeless from other states. Please fix the bigger problems first.

ARGUMENT IN FAVOR

No New Taxes until they stop wasting existing tax dollars.

Tax $$$ wasted on rewarding pot smoking, drug use

- Portland awarded $125,000 of our tax dollars to two pot shops. These business assistance funds come at a time when Oregon has a staggering six-year surplus supply of marijuana, which is making the drug even cheaper. This doesn’t help our homeless drug abuse crisis. (Portland Business Journal 1/22/19)

- A Tigard meth house was given a $30,000 taxpayer-funded housing assistance grant even as it was racking up neighborhood complaints and multiple police drug raids. (KGW-TV 6/14/18)

Tax $$$ wasted on homeless boondoggles

- Portland wasted nearly $250,000.00 in tax dollars building a modular homeless shelter IT NEVER used. (Oregonian 9/13/18)

The printing of these arguments does not constitute an endorsement by Multnomah County, nor does the county warrant the accuracy or truth of any statements made in the arguments.
Measure 26-210

- Multnomah County wasted $700,000.00 turning a former strip club into a Gresham shelter that lasted barely a year before it was evacuated as an emergency health hazard. (Gresham Outlook 2/28/18)
- Portland wasted millions on the Cannady affordable housing project only to have it sit mostly VACANT a year later due to ongoing problems and possible violations. (Willamette Week 2/6/19)

Tax $$$ wasted on blocking good solutions to help homeless

- Politicians wasted $58 million building the never-used Wapato Jail and now have actively blocked private citizens from turning it into a homeless shelter. This is a stunning example of how politicians can throw away $58 million in tax dollars as if it was nothing and then stand in the way of people trying to help. (KGW 10/10/19)
- Pouring a quarter-billion dollars in higher taxes into more boondoggles and government waste will not help the homeless, but instead make it worse.

Politicians have plenty of money.

The State of Oregon already has an $84 billion biennial budget that could be tapped into to help the homeless. The METRO government already has $680 million in just-approved (2019) property taxes going for affordable housing to help the homeless. The METRO government is in a recession. Families are losing jobs. Businesses are closing. 

It comes too late.

The Portland Tribune said the tax “would not even be collected until 2021. So, in fact, this measure would do nothing to address the immediate 2020 crisis.” (3/20/20)

The damage caused will be lifelong.

The #1 poverty cure is a job—why tax jobs?

The small businesses owners destroyed by 26-210 will become homeless, bankrupt, or on welfare.

The family restaurants destroyed by 26-210 will be replaced by low-wage corporate chain restaurants.

VOTE NO ON TWO NEW INCOME TAXES

Measure 26-210 punishes struggling families and businesses with two new income taxes. Many small and medium sized business owners will be taxed twice by Metro’s measure. First on their business income, then on their personal income.

The printing of these arguments does not constitute an endorsement by Multnomah County, nor does the county warrant the accuracy or truth of any statements made in the arguments.
The COVID-19 “coronavirus” crisis has devastated 3.9% personal income tax increase to fund universal Measure 26-210 is a $405 million Multnomah County library bond $16 million City of Portland gas tax renewal $250 million Metro business income and personal income Multnomah County business income tax increase

Metro doesn’t care. Metro had a chance to pull this measure once it learned how COVID-19 would destroy families and businesses. Instead, Metro chose to go full speed ahead with its punishing taxes.

VOTE NO ON METRO’S MISSION CREEP

Metro’s mission is land use and transportation planning. How’s that working out for you? You’re stuck traffic and our housing market’s a mess.

Measure 26-210 expands Metro’s mission to include rental subsidies and homeless services. Metro wants you to pay for their mission creep. Given Metro’s history of misplaced priorities, do you trust them to get it right this time?

VOTE NO ON CHAOS AND CONFUSION

Measure 26-210 was thrown together in under a month. And it shows. Metro has no idea who will actually have to pay the new taxes or how the taxes will be collected and enforced. Metro has no plan to reduce the number of actual homeless.

LOCAL CHAMBERS URGE NO VOTE ON METRO’S $250 MILLION TAX INCREASE

Tualatin Chamber of Commerce
Gresham Area Chamber of Commerce
Beaverton Area Chamber of Commerce
North Clackamas Chamber of Commerce
Oregon City Chamber of Commerce

Metro-area Chambers have a long track record of supporting local tax measures to fund critical public services. However, we urge voters to oppose Metro’s new $250 million tax increase out of concern for the health of our economy during a global pandemic and inevitable recession.

VOTE NO ON METRO’S MEASURE 26-210

• The COVID-19 “coronavirus” crisis has devastated thousands of local businesses and working families. Millions of dollars in new taxes at this time will make the situation worse.
• Measure 26-210 is a blank check to the Metro government. Metro leaders have failed to articulate a plan to ensure that the $250 million raised by this tax is managed in an accountable manner.
• Metro’s Measue 26-210 was developed in a backroom without adequate public input from key community leaders.

METRO RESIDENTS ARE TAXED ENOUGH ALREADY

Portland-area businesses and residents are already trying to keep up with billions of dollars of new taxes recently passed by the state and local governments. Measure 26-210 adds uncertainty at a time when our communities are looking for economic stability. Stacking additional taxes on the same dollar, especially during this time of crisis, will make it difficult for businesses to survive and leave Oregon families paying higher prices. We must work to stabilize the local economy in the wake of COVID-19, not add millions of new taxes.

SMALL BUSINESSES FACE DOUBLE TAXATION UNDER MEASURE 26-210

Measure 26-210 unduly hurts small and medium-sized businesses. Most small businesses register as S-Corps or LLCs and will be very impacted by the 1% personal tax increase on income over $125,000. These same taxpayers could also face the 1% business tax increase. Double taxation is the wrong approach.

ARGUMENT IN OPPOSITION

Vote No on Measure 26-210

Today is different than yesterday. Our area employers are barely keeping their doors open.

It’s time to rebuild.
Not pass new taxes.
We simply can’t afford it.

The tax increases contained in Measure 26-210 will nearly double the rate of the brand new Commercial Activities Tax (CAT) just taking effect this year. There is no doubt that this measure will increase the costs of basic needs including groceries, housing and utility bills.

At a time when we can least afford it.

We cannot consider these new personal and business taxes in a vacuum. Any new tax must be considered based on the cumulative effect of taxing the same dollar. In 2020 alone Metro residents will be asked to consider a slew of new, stacking taxes:
• $250 million Metro business income and personal income tax increase
• $16 million City of Portland gas tax renewal
• 3% personal income tax increase to fund universal preschool
• Multnomah County business income tax increase
• $3 billion Metro transportation tax package
• $1.4 billion Portland Public Schools bond
• $405 million Multnomah County library bond

At a time when we can least afford it.

We simply can’t consider adding new business and income taxes during this unprecedented time of crisis. Our employers must focus on rebuilding, keeping their doors open, shelves stocked, and paychecks signed.

ARGUMENT IN OPPOSITION

Oppose Measure 26-210

The Metro area is home to thousands of acres of family farms and nurseries. They’ve grown our local produce, Christmas trees and garden plants for many generations. These farms need certainty that they can keep operating during the COVID-19 crisis and afterward, when they are rebuilding from the...
Measure 26-210

economic damage of the crisis, not new taxes. 

Metro’s family farms can’t afford another tax

Long-term funding for homelessness is should be prioritized. However, this hastily-drafted measure will reduce cash flow for local farm families at a time when they are struggling to keep their doors open. Many nurseries compete against growers from other states with lower cost burdens. This tax harms the ability to ship environmentally beneficial products across the country.

Farmers need a break, not more taxes

Farm net income is down 50% over the last four years, even before coronavirus. This tax will nearly double the rate of the brand-new corporate activities tax (CAT), which taxes low margin businesses, like farms and nurseries, even if they don’t make a profit.

Measure 26-210 makes the current situation much worse. In addition to taxing businesses based on their business income, it also taxes personal income, which for most family farms means double taxation. Most farms and nurseries are LLCs and S-Corps; they pay personal income taxes on their business earnings, even after they pay business income taxes.

Metro can’t afford this tax either

Countless businesses will be struggling to stay afloat as we recover from coronavirus. A new tax on family business will make that even harder. This measure risks putting family farms and nurseries out of business. We don’t know the long-term consequences of the coronavirus crisis, but we do know this is the WRONG time for a new $250 million tax.

VOTE NO on Measure 26-210

It’s a LOSE-LOSE situation for family farms and nurseries

(This information furnished by Amanda Dalton, Alliance for an Affordable Metro)
If approved, the bond measure would:

- Repairing and replacing roofs, boilers, foundations, windows and flooring, and other school facility improvements
- Upgrading school safety and security systems
- Adding gymnasiums to four schools that have no dedicated gyms
- Repurposing Oliver Elementary back into a middle school, including upgrading the library, science classrooms, and creating career technical classrooms. This will allow sixth graders to return to middle school level, giving students one additional year in middle school to prepare for high school, and allow increased opportunity for technical career focused learning at both middle schools.
- Refinancing existing capital obligations and paying bond issuance costs

Bond costs
Due to the retirement of a previous bond, the proposed bond measure is estimated to continue the District’s current bond tax rate of approximately $1.19 per $1,000 of assessed property value or $119 per year for property assessed at $100,000. Bonds would mature in 30 years or less from the date they are issued and may be issued in one or more series. Bond funds can only be used for capital projects, not operating costs. If passed, the District would be awarded a $7,464,690 State matching grant.

In planning for this bond measure, Centennial School Board convened a Long-Range Facilities Planning Committee made up of community members, energy conservation and construction professionals, parents, teachers, staff and principals. This committee toured each school, reviewed systems and analyzed information. From this work they developed recommendations for the School Board. This resulting bond measure includes the committee’s highest priority recommendations.

Accountability
If the bond is approved, the District will establish an independent community-based bond oversight committee to oversee bond funds.

Submitted by:
Dr. Paul Coakley, Superintendent
Centennial School District #28JT

EXPLANATORY STATEMENT

The average age of Centennial School District’s ten schools is 55 years old. There have been no bond-funded renovations, upgrades or improvements to schools since 2001. This measure would fund renovations and upgrades.

A community-based Long-Range Facilities Planning Team recommends a bond measure to address facility issues and make improvements to support student learning.

Proposed projects include renovations to extend the life of buildings, improve efficiency and address student safety and instructional needs. If passed, the District would be awarded a $7,464,690 State matching grant.

If approved, the bond measure would:

- Make improvements at all traditional schools, including renovating and replacing school roofs, boilers, foundations, windows and flooring. These projects would create operational savings and efficiencies by upgrading HVAC systems, lighting fixtures and plumbing. District is working with the Energy Trust of Oregon to obtain advice and added funding for these projects.
- Make safety and security improvements including upgrades to intercom systems, exterior doors, and exterior camera systems for student and staff safety.
- Add gymnasiums to four elementary schools that have no dedicated gym space to meet new State P.E. requirements.
Measure 26-208

ARGUMENT IN FAVOR

I am retired, and I support our schools. I graduated from Centennial High School almost 50 years ago.

I am careful about my household budget. I believe this measure not only makes good sense, it is a smart investment in our school buildings.

Measure 26-208 will protect our schools at no extra cost by replacing an expiring bond.

I retired from a 34-year career overseeing parks operations and maintenance. Last summer, I volunteered about 200 hours at Centennial High School to help improve the school grounds because I was concerned about the appearance at the schools. I could see that they need repairs.

The projects in this bond were identified as critical needs by facility experts who reviewed them for the community-based facilities planning process. They found that these buildings must be fixed or they won’t last.

I support the bond because the projects will extend the life of these buildings. We know it is much cheaper to repair them than to rebuild them. Just like your house, you have to maintain it or they will cost more to replace later.

I am a strong believer in continuing to help our schools—for our kids and our sense of pride in our community.

The good news is that Measure 26-208 was developed to keep the cost to taxpayers as low as possible. If this measure is approved, Centennial’s bond tax rate will not increase. We will pay the same rate we currently pay.

Please join me in supporting this measure. With no tax increase, it’s a measure even those of us on fixed incomes can afford. I think our kids deserve a healthy and safe place to learn.

A well-maintained and operated school system is an asset to the community, increasing property values and instilling a sense of pride in students and the community.

Please VOTE YES for our schools and protect our investment in school buildings.

ARGUMENT IN FAVOR

Vote YES on Measure 26-208 to help our students, local businesses and community.

Our local economy relies on well-maintained, thriving schools to attract new residents, improve property values and train students to work locally and in the Portland Metro region. Good schools contribute to a community where people want to live and work.

Your support of Measure 26-208 will provide an opportunity to hire local companies and workers, who will in turn support local businesses. The facility improvements will attract and retain educators and administrators at all grade levels.

Improved schools will attract families for long term investment in the neighborhoods. Most importantly, Measure 26-208 invests in our students who are part of the future work force.

Centennial school buildings are aging and need repairs.

The average school facility age is 55. A facility study identified more than $135 million in facility needs, of which $65 million are most critical.

Our schools have serious facility needs that haven’t been funded since the last bond passed in 2000. These are not cosmetic projects—the buildings need serious maintenance now.

Unfortunately, the operating budget can’t cover these critical facility needs—new roofs, replacing heating systems, windows, flooring and more. If we don’t fix them now, the needs will cost much more later. Measure 26-208 will save thousands in tax dollars by improving operational building efficiency and reducing maintenance costs.

Measure 26-208 will replace an expiring bond and maintain the current tax rate.

Vote YES on Ballot Measure 26-208 to ensure that our children have access to world-class schools.

ARGUMENT IN FAVOR

We are the Centennial Education Association (CEA) and we support the Yes for Centennial Kids campaign in support of Bond Measure 26-208. We do so because we appreciate and value the commitment our communities have invested in our schools over the years. As educators, we know students need educational environments that support their learning.

This proposal is based on high levels of community input. The following are just a few of the most important reasons teachers are supporting this bond proposal:

• The bond was designed to make critical repairs to schools and extend the life of our school buildings. The projects are necessary to prepare students for the future and reduce future costs for rebuilding the buildings if we don’t repair them.

• The bond will improve school safety with infrastructure projects, suggested by security experts and community groups, such as safety and security systems, intercoms, fire alarm systems and security cameras.

• The bond will fund projects to improve the energy efficiency of aging buildings and help save many thousands of dollars a year, which will reduce costs and put more money in the classroom for student learning.

We also recognize these important benefits for our community:

• This WILL NOT raise your tax rate. Centennial School District has designed the bond to replace and maintain an expiring bond.

• The district has, and will continue to be, financially responsible to our community by establishing a citizens’ bond oversight committee, which will ensure bond proceeds are used to fulfill construction plans.

• Our schools, and the services they offer to students and community members, provide a public good by providing appropriate and updated community spaces.

• This investment will help strengthen home values and promote a powerful sense of community within our schools.

Please join Centennial teachers in supporting Centennial students, schools, and the community by Voting YES on Measure 26-208!

ARGUMENT IN FAVOR

We are parents and we support this important measure to repair schools and improve safety. Many people don’t see the problems in our school buildings. As parents and volunteers in the buildings we can see how much these improvements are needed.

- Critical facility repairs
- Important school safety and security projects

This bond would fund the most critical projects to improve the buildings where children learn. It would improve the learning environment, make our schools safer, and not raise the current tax rate.

This is a smart and necessary investment in our schools, our students, and our community.

- The measure will replace an expiring bond and maintain the tax rate.
- The projects will improve efficiencies and save money on operational costs.

You don’t have to be a parent to know how important schools are to our community, but if you aren’t a parent, you may not know what the conditions are in our schools.

Our kids deserve to be warm while they are in class. Earlier this year, students had no heat in their classrooms. Centennial schools have outdated boilers for heat—and they cannot turn on early in the year.

Our kids deserve to play on a dry playground at recess. During a heavy rain this winter, the playgrounds were almost completely flooded at Pleasant Valley Elementary.

This bond is not about the extras—it’s about the necessities. We know because we see it in the buildings and we can do better.

Help us improve our schools so kids can learn. It won’t raise your tax rate, but it will make a big difference for education in our community.

Please join us. Support healthy and safe schools. VOTE YES on Measure 26-208!

ARGUMENT IN FAVOR

Fix our schools, protect our investment, prepare our kids for a successful future.

VOTE YES ON BALLOT MEASURE 26-208 FOR CENTENNIAL SCHOOLS

Centennial schools need critical repairs. School funding covers basic maintenance, but it is meant for education, not major facility repairs.

Our schools are aging—the average age is 55—and they have not had major maintenance projects since the last bond passed in 2000.

This bond would fix our schools with no additional financial impact on our community. It replaces an expiring bond from 2000, so there would be no rate change for bond costs for schools.

We support the Centennial School District bond measure to repair school buildings and make essential safety and security updates.

This is a time to take care of schools, which are an important center for our community. In these uncertain times, we need to make smart decisions. This proposal improves safety and security and will ensure that these buildings, which belong to our community, will last and can serve our immediate and future needs.

This measure will also help protect our economy by putting money back into our community—through projects that will employ local skilled workers and through additional economic activity that will bring money into our community and local businesses.

This bond is recommended by a community-based facilities review task force.

The projects are necessary. They were identified after a year-long process of careful review of what we need. They are the most critical projects, selected to cover immediate needs and maintain a low tax rate.

We stand behind this measure because it is based on careful and thorough planning and will fix our buildings and improve the educational environment for our students and our educators.

Ballot Measure 26-208 is good for our community. Please join us in voting yes.
