

Multnomah County Oregon Financial Condition Report

June 2020

Office of Multnomah County Auditor Jennifer McGuirk

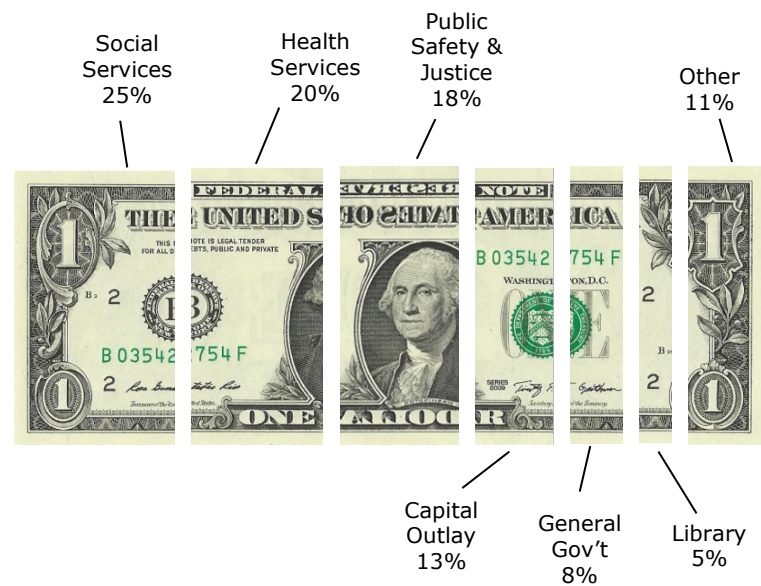

This report reflects historical results and data, prior to the global pandemic (COVID-19). It is important to keep in mind that the impact of the pandemic on County operations specifically as well as the general county economy are unknown and are expected to be significant.

Why We Did This Audit

While this report does not reflect the impact of the current global pandemic (COVID-19), it does provide a useful look back at historical trends, which include the impact and recovery from the most recent recession of 2008/2009, and can help inform future decision making. We believe the financial health of Multnomah County as presented in the report is the result of difficult decisions made by County Commissioners who have responded to challenges by creating and following sound financial policies while maintaining service to the public.
