

# How to Get Health Care at a Multnomah County Clinic

## Do you need health care?

Multnomah County's health centers are here to help and currently welcome new patients. We provide care to all Multnomah County residents, including those who are low-income and uninsured. Our services include:

- Adult healthcare
- Women's health
- Pregnancy testing
- Mental health
- Dental services
- Children's care
- Birth control
- Prenatal care
- Pharmacy

Multnomah County welcomes and serves residents and visitors without regard to race, origin, religion, income, gender, sexual orientation, or immigration status.

## How do I get started?

Call 503-988-5558, Monday-Friday 8am-5pm. You will be scheduled for a new patient appointment to get started with one of our health care teams.

To get started as a new dental patient call 503-988-6942, Monday-Friday 8am-4:45pm.

## Do you also need health insurance?

We can help you apply. You may qualify for Oregon Health Plan or other programs. You do not need to have insurance to get care at Multnomah County clinics.

If you are in need of reproductive health services (pap smears, birth control, STD screening) you may qualify for free or low cost care through the Oregon Reproductive Health Program.

Call 503-988-5558 for an appointment with one of our eligibility specialists.

## COVID-19 Service Changes

To keep patients and staff safe from COVID-19, our clinics are now offering phone and video visits in addition to in-person appointments. Four of our locations are currently open and providing services Monday-Friday:
