Program Characteristics:

Program Description

Human Resources provides a broad range of services for both division managers and employees regarding human resources and labor relations issues. Human Resources does the following activities: advise management and employees on interpreting and applying the County's human resources performance planning process, personnel rules, policies, procedures, collective bargaining and labor agreements and other applicable laws and regulations governing public sector employment.

In addition, Human Resources provides recruitment and retention services to the entire Department, analyzing recruitment practices to identify barriers and ensure best practices are applied to the process with special care taken to ensure procedures have reduced biases related to a candidate's age, race, gender, or other personal characteristics that are unrelated to their job performance, equity-informed orientation and onboarding practices, performance management consultation, discipline and grievance processing and dispute resolution.

The program facilitates the department's Family Medical Leave Act (FMLA) and Oregon Family Leave Act (OFLA) requirements, maintains its personnel records and provides an essential liaison relationship with the County's Central Human Resources and Labor Relations staff.
